Public Notice

Due to unusually large volume, Absentee Ballots for the State Primary -- to be held September 8, 2020, at the Town Hall from 11 am to 7 pm -- will be preprocessed on Thursday, September 4, at 4:30 pm at the Town Hall. Preprocessing allows the Moderator to open the outer envelope only of the returned Absentee Ballot and make a notation on the checklist that the ballot has been returned in order to expedite processing on election day. The affidavit envelopes with the ballots inside will not be opened and properly marked on the checklist until election day.
