EDUCATION TUITION ASSISTANCE

Purpose

It is the policy of New Hampshire Lottery to encourage personnel to improve their work knowledge and skills by attending local colleges. The New Hampshire Lottery recognizes that participation in continuing education programs is a valuable component of competency and career development, and accordingly may grant tuition assistance. Tuition Assistance is not an automatic employee benefit and no college courses funded by the agency may be pursued during working hours.

Eligibility

- The applicant shall be a full-time, permanent employee who has successfully completed the initial (12-month) probationary period.
- The course content shall be directly related to the applicant's current job responsibilities. Courses that are part of the degree program but are not directly related to the applicant's current job responsibilities may not meet the eligibility criteria.
- The applicant shall not have been involved in any formal disciplinary proceedings within the past 6-month period, or have disciplinary proceedings pending. Supervisors must use discretion in the approval/denial process.

Procedure for College Courses

- Complete a "Request for Tuition Assistance" form (a separate form is available for the College of America) and have it approved by your Supervisor. The form must be submitted at least eight weeks prior to the beginning of the course to the Deputy or Executive Director.
- Upon Approval by the employee's Supervisor and a Director, the "Education Tuition Agreement" form will be initiated and a notarized signature will be requested from the employee before being submitted to G&C. G&C approval must be obtained in order for the tuition request to be granted.
- The agreement includes a statement indicating that tuition paid by the State agency will be considered a loan to the employee which will be forgiven only if the employee receives a grade of a B or better and continues their employment for six months beyond the end of the course. This is cumulative; for example if an employee enrolls in two courses at one time, they must receive a passing grade and be employed for 12 months beyond the completion of the courses before this loan will be forgiven.
- Payment will be made directly to the educational institution.
- After the course is completed, a copy of the grade transcript must be forwarded to the agency's Human Resources representative. It is a requirement of the contract that a passing grade of a B or better be achieved. If an employee does not complete the course, then he/she must repay the loan specified in the agreement. No new tuition agreement requests will be approved until this requirement is met.

G&C approval must be obtained in order for the tuition request to be granted.
- The agreement includes a statement indicating that tuition paid by the State agency will be considered a loan to the employee which will be forgiven only if the employee completes 24 competencies and continues their employment for 12 months beyond the end of the course.
- Payment will be made directly to the educational institution.
- After the term is completed, a copy of the completed competencies must be forwarded to the agency's Human Resources representative.
