- 11.2.2 Give the Subrecipient a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Subrecipient during the period from the date of such notice until such time as the State determines that the Subrecipient has cured the Event of Default shall never be paid to the Subrecipient; and
- 11.2.3 Set off against any other obligation the State may owe to the Subrecipient any damages the State suffers by reason of any Event of Default; and
- 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

- 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Subrecipient to receive that portion of the Grant amount earned to and including the date of termination.
- 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder.
- 12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Subrecipient hereunder, the Subrecipient, may terminate this Agreement without cause upon thirty (30) days written notice.

1). Call to Order:

Chairman Proulx called the meeting to order at 6 p.m.

2). Pledge of Allegiance:

All present stood for the Pledge of Allegiance.

3). Public Input: None

4). City of Rochester/ Farmington Reservoir Parcels:

Mr. Capello said the City of Rochester officials came to discuss the watershed land surrounding the reservoir in Farmington previously held in Current Use but now must be assessed at market value and to discuss a Payment in Lieu of Taxes (PILOT) agreement with the Town.

Deputy City Manager Blaine Cox introduced Mr. Rice who provided the board with a handout containing maps, state statutes, Farmington tax cards for the relevant parcels, benefits of the Rochester/Farmington partnership and their goals for the discussion.

Mr. Rice said he said he believed some communities are catching up with the watershed properties that were assessed as in Current Use in the past and do not qualify for the Current Use assessment. He said open space land as defined by RSA 79-A:2 does not include any property held by a city or town in another city or town for the purpose of a water supply or flood control for which a payment in place of taxes is made in accordance with RSA 72:11. He said that RSA 72:11 addresses water works and flood control properties and states that these properties are taxable at the assessed value. He added that section II (a) states the governing body of a city or town holding a property can enter into a PILOT agreement with governing body in which the property is located. Section b states that no agreement shall be valid for more than 5 years but may be renewed and/or amended for any number of

every town has all of the same positions (ex. Some towns have a landfill, some do not). He said he would wait one more week to receive responses before compiling the data. Ms. Proulx suggested Mr. Capello send out a “gentle reminder” to the towns that have yet to respond to the request for wage information.

10). Town Administrator’s Business:

A). Review of RFQ for Master Plan- The board reviewed the Request for Qualifications written by Town Planner Dan DeSantis.

Mr. Capello said he planned to bring forward a warrant article seeking to update the Master Plan for inclusion on 2018 Town Meeting warrant and this would give the board an idea of the cost to prepare the update to the plan.

Ms. Proulx said that on Page 2, first paragraph needs some consistency with the way the percentages are written in the description of the races living in town.

Mr. Capello said he also found a few grammatical mistakes as well.

Consensus of the board was to allow the RFQ to be sent out once the corrections are made.

B). EOC Generator-Mr. Capello said the grant application for the generator for the Emergency Operations Center has been accepted and it appears the Town will need to come up with approx. \$5,000 to \$6,000 fulfill the Town’s match for the funding. He said they originally estimated the Town’s portion would be about \$18,000.

Mr. Johnson said the grant is for \$94,328 to purchase and install a generator at the Public Safety Building.

Mr. Capello said this represents the amount the state is giving to the Town and the Town makes up the difference in the cost for the generator which was estimated to be approx. \$100,000.

Motion: (King, second Johnson): The Town of Farmington Board of Selectmen, in a majority vote, accepted the terms of the Emergency Management Performance Grant (EMPG) as presented in the amount of \$94,328.00 for the purchase of a generator for the Emergency Operations Center (EOC). Furthermore, the Board acknowledges that the total cost of this project will be \$188,656.00, in which the Town will be responsible for a 50% match (\$94,328.00). Further, the Board authorizes the Town Administrator to sign all documents related to the grant.

Vote: The motion passed unanimously.

C). Non-Public Session Canceled- Mr. Capello said the first Non-Public Session regarding the open Lieutenant’s position scheduled for after the public meeting has been canceled due to Firefighters’ fatigue after responding to storm related issues all day.

D). Resignation- Mr. Capello asked the board to accept the resignation of Diane Carrier who is retiring from the Farmington Fire & Rescue.

Motion: (King, second Johnson) to accept the resignation of Diane Carrier with regret passed 5-0.

E). Lighting Rebate- Mr. Capello provided the board with copies of a memo from Eversource

CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex³) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only, Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
