EXPLANATION

College for America at Southern New Hampshire University has partnered with the State of New Hampshire to provide state employees with low-cost, competency-based associate and bachelor degree programs. The employee is required to complete competency based projects each semester that are tied to specific goals (attached) to earn either an Associate's Degree in General Studies or a Bachelor's Degree in Communications.

This employee was hired by the Department as a Program Specialist I on October 1, 2003 and then promoted to a Fraud Investigator on May 26, 2006. She was most recently promoted to a Life and Health Examiner on August 26, 2008. The employee will be pursuing an Associate's Degree in General Studies which will provide her with an increased level of business skills by strengthening her critical thinking and problem solving abilities. Further development of the employee's communication skills and knowledge of management practices will build upon her competency in interfacing with insurance carriers, interagency personnel and in the employee's ability to independently evaluate insurance company actions in the New Hampshire marketplace. Successful completion of the program will add to the overall strength of the Department to perform its mission to the residents of New Hampshire.

The employee will be completing projects on her own personal time. A fully executed tuition agreement is attached.

Respectfully submitted,

Roger A. Sevigny
