8. **EARLY TERMINATION FEES.**

If Customer terminates this Agreement or any line of Service during the initial term for any reason other than USCC's material breach of this Agreement and does not return Equipment to USCC in good working condition (defined below), Customer will be subject to a prorated early termination fee ("ETF") of \$150.00 per terminated line of

Regardless of the start and end date of the initial term or any renewal term of this Agreement, any ETF will be prorated over twenty-four months from the date of initial activation of the Equipment on the terminated line of Service in accordance with the following: an ETF of \$350.00 for a 24 month initial term will be reduced by \$8.33 for each of months 1 - 23, \$8.41 for month 23, and further reduced to \$0 after the last day of month 24 (\$150.00 remaining ETF applies during month 24); an ETF of \$150.00 for a 24 month initial term will be reduced by \$3.13 for each of months 1 - 23 and further reduced to \$0 at the conclusion of month 24 (\$75.00 remaining ETF applies during month 24). Notwithstanding the foregoing and excluding M2M lines, the aforementioned ETF's shall only apply to lines of Service in which the Customer has purchased subsidized Equipment. For M2M lines, Customer acknowledges that due to the costs of USCC setting up the line for any Equipment, the previously mentioned ETF amounts will apply whether the Equipment was purchased from USCC or provided by Customer, and Exhibit B may state additional requirements for termination of M2M lines.
