Dept. Environmental Services, Coastal Zone Management, Contracts for Program, Services	

EXPLANATION

This award is **SOLE SOURCE** because the Rockingham Planning Commission (RPC) is the only entity that provides municipal planning assistance to coastal zone communities in the Rockingham Planning region. The New Hampshire Coastal Program (NHCP) annual program budget includes local technical planning assistance funds for the RPC, University of New Hampshire Cooperative Extension and New Hampshire Sea Grant programs, the Seabrook Hamptons Estuaries Alliance, and the Strafford Regional Planning Commission (SRPC). These funds were specifically targeted for technical assistance to support partnerships with UNHCE/NHSG, SHEA, RPC, and SRPC on environmental issues of common concern where the planning agencies can broaden the NHCP's expertise and outreach to communities throughout the coastal region.

The NHCP Technical Assistance contracts have been part of the overall NOAA approved program and annual work plans for more than twenty years. NHCP staff meets annually with the directors and staff of the technical assistance grantees to develop program priorities and annual work programs for inclusion in the annual NHCP budget. All four organizations provide professional planning assistance and services to municipal planning boards and staff in the communities they serve.

The purpose of this agreement is to support RPC in its provision of technical planning assistance. Funds will be used to 1) collaborate with the New Hampshire Coastal Adaptation Workgroup; 2) provide coastal resilience planning assistance to coastal municipalities in the RPC region; 3) planning/project development for future work; and 4) outreach and professional development.

His Excellency, Governor Christopher T. Sununu
and the Honorable Council

Total project costs are budgeted at \$30,000. DES will provide \$15,000 of the project costs through this federal grant. RPC will provide \$15,000 in matching funds. A budget breakdown is provided in the Attachment A. In the event that the Federal funds become no longer available, general funds will not be requested to support this program.

This agreement has been approved by the Office of the Attorney General as to form, execution and content.

We respectfully request your approval of this item.

Robert R. Scott, Commissioner

In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only. Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
