REQUESTED ACTION

Pursuant to RSA 21-1:80, 1(b); authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation, Cannon Mountain to enter into a **Sole Source** contract with Evergreen Wire Rope Testing (VC #220595), Brush Prairie, WA, in the amount of \$18,000 for the electromagnetic wire rope testing of the Aerial Tramway and Peabody Express Lift at Cannon Mountain Ski Area effective upon Governor and Executive Council approval through June 30, 2021. 100% Other Funds (Agency Income)

EXPLANATION

Evergreen Wire Rope Testing (Evergreen) has been selected to provide our yearly track cable inspection service. As a vendor that has provided this service for Cannon Mountain Ariel Tramway previously, they have proven their ability to consistently provide Cannon Mountain with the type of premium-level inspection required for the Aerial Tramway and Peabody Express Lift track cables. There are three known vendors equipped with the very highly specified equipment needed to provide the x-ray inspection service. The other two company principals, Jorg Tonnott and Justine Knight, informed us that they are booked with many projects and cannot take on any more work at this time, thus declining the opportunity to quote or bid on the project. For this reason, Evergreen has been selected to complete the magnetic rope testing for Cannon Mountain on a sole source basis.

The Cannon Mountain Ski Area's Aerial Tramway and Peabody Express Lift require yearly magnetic rope testing of the haul ropes, track cables, and connection hardware in accordance with the ANSI-B 77.1 standard codes. This inspection is scheduled annually, during one of the Aerial Tramway's two scheduled maintenance windows, to help ensure the safe operations of both the Aerial Tramway and Peabody Express Lift.

The Attorney General's Office has reviewed and approved this contact as to form, substance and execution.

Respectfully submitted,

 Philip A. Bryce
 Director

Concurred 
 Sarah L. Stewart
 Commissioner

Notice: This agreement and all of its attachments shall become public upon submission to Governor and Executive Council for approval. Any information that is private, confidential or proprietary must be clearly identified to the agency and agreed to in writing prior to signing the contract.
