For many years the Director of Vocational Rehabilitation has been an active member of the Council of State Administrators of Vocational Rehabilitation. The Council of State Administrators of Vocational Rehabilitation is composed of the chief administrators of all the public rehabilitation agencies serving persons with physical and mental disabilities in the states, District of Columbia, and the territories. These agencies constitute the state partners in the State-Federal program of rehabilitation services provided under the Rehabilitation Act of 1973, as amended by the Rehabilitation Act Amendments of 1998. The Council provides information, staff training and serves as a resource for the formulation and expression of the collective points of view of state rehabilitation agencies on all issues affecting the provision of quality rehabilitation services to persons with disabilities. Dues are assessed on the federal and state authorization of the Basic Support Program to each State Agency.
