Re: PETITION – North Hampton A002 (909), 24457

The Department of Transportation requests placing this item on the Consent Calendar.

Pursuant to RSA 230:14, attached hereto is a Petition for a hearing on the proposal to replace the bridge carrying US 1 over the former B&M railroad in the Town of North Hampton.

Since the Petition is not for the limitation or control of access, a Commission of 3 persons should be appointed by the Governor, with the advice of the Executive Council, to hold a hearing. The Commission of 3 persons shall determine whether there is occasion for the laying out or alteration of US 1 in the Town of North Hampton as presented at the hearing.

The purpose of the project is to rehabilitate the US 1 bridge no. 148/132 and improve the two intersections of North Road with US 1. This project may impact historic properties.

The suggested Commission Members were discussed with Executive Councilor Prescott on April 11, 2018.

**Suggested Commission:**

Charles Noon- Durham  
Shawn Mickelonis-East Rochester

**Suggested Budget:**

To His Excellency, the Governor, and the Honorable Executive Council:

In accordance with RSA 230:14, I, Victoria F. Sheehan, Commissioner of the New Hampshire Department of Transportation, propose the US 1 bridge replacement and intersection improvements with North Road in the Town of North Hampton, at the locations given below:

**North Hampton, A002(909), 24457**

The project will replace the US 1 bridge (Br. No. 148/132) over the Pan Am Railways' Hampton Branch and improve the two intersections of North Road with US 1. The intersection improvements will involve minor realignment of North Road (west) and relocation and reconstruction of North Road (east) to improve intersection traffic operations and safety. The US 1 improvement will extend approximately 900' north and 300' south of the bridge, while the improvements to North Road will extend approximately 300' west and 700' east of US 1.

This project may impact historic properties.

Therefore, in accordance with RSA 230:14, I, Victoria F. Sheehan, Commissioner of the New Hampshire Department of Transportation, propose the improvements to US 1 Br. No. 148/132 and North Road in the Town of North Hampton, New Hampshire.
