\*A 2016 revision to RSA 659:13 requires the Secretary of State to revise the CVA list based on input solicited from supervisors of the checklist before sending it to the Attorney General.

\*\*A 2017 revision to RSA 659:13 called for the Secretary of State to "conduct an inquiry" before submitting the CVA list to the Attorney General. The inquiry may include consulting with, and examining public records held by, municipal officials, which contain information relevant to a person's qualifications to vote in New Hampshire, and interviewing persons living at the address listed on the voter registration form.
