VOCA was enacted by Congress in 1984 and it established the Crime Victims Fund. Fines paid by offenders of federal crimes are deposited into this Fund. Money from the Fund is then distributed to states for the benefit of victims of crime. In 2000, Congress placed a limit on the distribution of funds. Recently, the limit on the distribution of funds has been increasing. In FY 2013 the total limit was \$730 million, while in FY 2017 the total limit exceeded \$2 billion. Thus, all states, including New Hampshire, have received substantial increases in VOCA funds. DOJ is the receiving agency for VOCA funds in New Hampshire.

DOJ subgrants these funds to agencies providing direct services to victims of crime. VOCA requires the funds be distributed to agencies providing services in the fields of sexual assault, domestic abuse and crimes against children. For many years, DOJ has directed VOCA funds to certain core service providers.

This significant increase in VOCA funds presents an important opportunity for New Hampshire and for the many dedicated organizations and individuals who work with victims of crime. Following a careful analysis, DOJ has determined that a portion of the increased VOCA funds should be allocated to existing core service providers. The distribution of the VOCA funds was based on a formula to ensure fairness, equality and, most importantly, sustainability to the current subgrantees. DOJ is also engaged in a Victims' Needs Assessment. The balance of the increase in VOCA funds will be distributed based on the results of this Needs Assessment.

NHCADSV was one such organization whose grant was increased. It is a core service provider for victims of crime in New Hampshire. These additional funds will allow NHCADSV to continue to provide support and advocacy for their member agencies providing direct services to victims of crime. NHCADSV services include crisis intervention, emergency shelter, victim advocacy, support groups, individual counseling and information and referral services throughout the State.

In the event that federal funds become no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

EXPLANATION

In Federal Fiscal Year 2015, Congress increased the amount of funds available to the States from the Crime Victims Fund to be used to support programs providing direct services to victims of crime. The increase in funds to New Hampshire allowed the Department to allocate almost \$6 million additional funds from FFY2015 and almost \$6.5 million in additional funds from FFY2016 over the course of the four-year grant period for each Federal Fiscal Year award.

1. One priority for the allocation of the funds was to increase subgrants to existing core direct service providers that crime victims rely upon for crisis intervention, emergency shelter, victim advocacy, support groups, individual counseling, and information and referral services throughout the State. The New Hampshire Coalition Against Domestic and Sexual Violence (NHCADSV) and its fourteen member agencies provide such services and continue to work with communities to aid victims of crime.
2. The Department of Justice sent out an open Request for Proposals (RFP) for \$3.6 million to entities providing direct services to victims of crime. The Department made available \$1.2 million for direct services to each of the following groups: domestic violence victims, sexual assault victims and child abuse victims. NHCADSV applied for, and was awarded, funding for all three categories as follows: \$1.2 million for the Housing First Project which is a new program that will provide victims of domestic violence crucial housing assistance and advocacy; \$1.2 million to enhance the Sexual Assault Nurse Examiner (SANE) program; and \$167,923 to help fund child sexual abuse forensic exam services.

In the event that federal funds become no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

Gordon J. MacDonald

11.2.2 Give the Subrecipient a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Subrecipient during the period from the date of such notice until such time as the State determines that the Subrecipient has cured the Event of Default shall never be paid to the Subrecipient; and

11.2.3 Set off against any other obligation the State may owe to the Subrecipient any damages the State suffers by reason of any Event of Default; and

12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Subrecipient to receive that portion of the Grant amount earned to and including the date of termination.

12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder.

12. The Subrecipient agrees that all services will be provided at no charge to victims unless a

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

- a. In accepting this award, the recipient—
 - i. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - ii. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.
- b. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--
 - i. it represents that— it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - ii. it has made appropriate inquiry, or otherwise has an adequate

- factual basis, to support this representation; and
- iii. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

17. The Subrecipient agency understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of any contract or subaward to either the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries, without the express prior written approval of the NH Department of Justice and the Office of Justice Programs.
18. The Subrecipient assures that federal funds received for this grant program will not be used to supplant existing funds otherwise available for this victim assistance program.
19. Equipment purchased with VOCA funds shall be listed by the Subrecipient on the agency inventory. The inventory must include the item description, serial number, cost, percentage of federal VOCA funds, and location. The Subrecipient agrees that the title to any equipment purchased with VOCA funds will revert back to the New Hampshire Department of Justice, Grants Management Unit, when it is no longer being used for the VOCA program purposes for which it was acquired.
20. The Subrecipient agrees that if a financial audit of the agency is performed, whether it be an audit under 2 CFR or not, the Subrecipient agrees to provide a copy of the audit and any associated management letters to the New Hampshire Department of Justice, Grants Management Unit.
21. The Subrecipient assures that in the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination within the three years prior to the

receipt of the federal financial assistance and after a due process hearing against the Subrecipient on the grounds of race, color, religion, national origin, sex, age, or disability, a copy of the finding will be submitted to the New Hampshire Department of Justice, Grants Management Unit and to the U.S. Department of Justice, Office for Civil Rights, Office of Justice Programs, 810 7th Street, NW, Washington, D.C. 20531. For additional information regarding your obligations under civil rights please reference the state website at <http://www.doj.nh.gov/grants-management/civil-rights.htm> and understand if you are awarded funding from this office, civil rights compliance will be monitored by this office, and the Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice.

22. The Subrecipient must certify that Limited English Proficiency persons have meaningful access to any services provided by this program. National origin discrimination includes discrimination on the basis of limited English proficiency (LEP). Meaningful access may entail providing language assistance services, including oral and written translation when necessary. The U.S. Department of Justice has issued guidance for grantees to help them comply with these requirements. The guidance document can be accessed on the Internet at www.lep.gov.
23. The subgrantee, if a non-profit organization, agrees to make its financial statements available online (either on the subgrantee's website, or the NH Department of Justice's, or another publicly available website). Organizations that have Federal 501 (c) 3 tax status are considered in compliance with this requirement, with no further action needed, to the extent that such organization files IRS Form 990 or similar tax document (e.g., 990-EZ), as several sources already provide searchable online databases of such financial statements.
24. The subgrantee, if a non-profit organization, must certify their non-profit status by submitting a statement to NH Department of Justice: 1) affirmatively asserting that the recipient is a non-profit organization and 2) indicating that the subgrantee has on file and available upon audit one of the following:
- A copy of the organization's 501 (c) 3 designation letter, or:
 - A letter from the State of NH stating that the subgrantee is a non-profit organization operating within the state, or:
 - A copy of the sub-grantee's state certificate of incorporation that substantiates its non-profit status
- Subgrantees that are local non-profit affiliates of state or national non-profits should also have a statement by the parent organization that the subgrantee is a local non-profit

affiliate.

25. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award). The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient. The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <http://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.
26. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events. The subgrantee at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences. Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "2015 DOJ Grants Financial Guide").
27. Requirement for data on performance and effectiveness under the award
the recipient must collect and maintain data that measure the performance and effectiveness of activities under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act, and other applicable laws.
28. OJP Training Guiding Principles
Any training or training materials that the subgrantee at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for

Grantees and Subgrantees, available at
<http://ojp.gov/funding/ojptrainingguidingprinciples.htm>.

29. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2016) The subgrantee at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2016, are set out at:
<http://ojp.gov/funding/Explore/FY2016-AppropriationsLawRestrictions.htm> and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact their grant manager for guidance, and may not proceed without the express prior written approval of the grant manager and OJP.
30. Subgrantees will authorize representatives of the Office for Victims of Crime and/or the Office of the Chief Financial Officer access to and the right to examine all records, books, paper or documents related to the VOCA grant.
31. Certification regarding debarment, suspension ineligibility, and voluntary exclusion
A person may be debarred or suspended for any of the causes listed in 28 CFR §67.305 and §67.405. A person who is debarred or suspended shall be excluded from Federal financial and non-financial assistance and benefits under Federal programs and activities. Debarment or suspension of a participant in a program by one Federal agency shall have government wide effect. For purposes of this certification, "prospective lower tier participant" shall refer to the subgrantee.

Instructions for Certification:

- a) By signing and submitting this proposal, the prospective lower tier participant is providing the certification as set out.
- b) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or

debarment.

- c) The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- d) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
- e) The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
- f) The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- g) A participant in a covered transaction may rely upon a certification of a prospective participant in lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.
- h) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- i) Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

AND VOLUNTARY EXCLUSION
LOWER TIER COVERED
TRANSACTIONS

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 28 CFR §67.510, Participants' responsibilities. The intent of this Order was to ensure that no subgrantee of federal funds had been restricted from conducting business with the federal government due to any of the causes listed in 28 CFR §67.305 and 28 CFR §67.405.

By signing this document, you are certifying that neither your agency, nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in any transaction by any Federal department or agency.

If you are unable to sign this certification, you must attach an explanation to this certification.

If required, within 30 days from the date of the award, the Subrecipient will submit for approval, an acceptable Equal Employment Opportunity Plan (EEOP) as required by 28 CFR 42.301 et seq. or a Certification Form to both the NH DOJ and the Office of Civil Rights, Office of Justice Programs, US DOJ at 810 7th Street, NW, Washington, DC 20531. Failure to submit an approved EEOP or Certification is a violation of the Program Guidelines and Conditions and may result in suspension or termination of funding, until such time as the Subrecipient is in compliance. The form and instructions can be found at: <http://ojp.gov/about/ocr/pdfs/cert.pdf>

The Subrecipient at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$150,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward). The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <http://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$150,000)), and are incorporated by reference here.

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization which is not a private foundation until the expiration of your advance ruling period.

Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Internal Revenue Code, because you are an organization of the type described in section *. Your exempt status under section 501(c)(3) of the code is still in effect. *170(b)(1)(A)(vi) and 509(a)(1).

Grantors and contributors may rely on this determination until the Internal Revenue Service publishes notice to the contrary. However, a grantor or a contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of section 509(a)(1) status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section 509(a)(1) organization.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

For tax years ending on and after December 31, 1982, organizations whose gross receipts are not normally more than \$25,000 are excused from filing Form 990. For guidance in determining if your gross receipts are "normally" not more than the \$25,000 limit, see the instructions for the Form 990.

Sincerely yours,

District Director

4. The Subrecipient assures that no federal VOCA funds or match funds have been paid or will be paid, by or on behalf of the Subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any Federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal grant or cooperative agreement. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the Subrecipient shall complete and submit Standard Form - LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.

5. The Subrecipient understands that grants are funded for the grant award period noted on the grant award document. No guarantee is given or implied of subsequent funding in future years.

This information will be submitted to the New Hampshire Department of Justice, Grants Management Unit.
7. All materials publicizing or resulting from award activities shall contain an acknowledgment of the awarding agency assistance. An acknowledgment of support shall be made through use of the following or comparable footnote: "This project was supported by Award No. 2015-VA-GX-0007 awarded by the Office for Victims of Crime, Office of Justice Programs and administered through the New Hampshire Department of Justice."

11. The Subrecipient must utilize volunteers to assist in providing VOCA allowable victim services unless extenuating circumstances justify the exclusion of volunteers, and a volunteer waiver is obtained from the NH Department of Justice.
12. The Subrecipient agrees that all services will be provided at no charge to victims unless a

program income waiver is obtained from the NH Department of Justice. If permission to generate program income is granted, the Subrecipient agrees that there must be a sliding scale that starts at zero, and that all program income will be totally expended on grant allowable activities by the end of the funding cycle.

13. The Subrecipient agrees to assist victims in applying for Victims Compensation benefits. Such assistance includes: identifying eligible victims; making reasonable efforts to notify eligible victims of the availability of compensation; making reasonable efforts to explain the program to victims; offering to assist victims with the application process when it is reasonable to do so.

The Subrecipient agency must promptly refer to the DOJ OIG any credible evidence that a principal, employee, agent, contractor, subrecipient, subcontractor, or other person has either 1) submitted a false claim for grant funds under the False Claims Act; or 2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving grant funds. This condition also applies to any subrecipients. Potential fraud, waste, abuse, or misconduct should be reported to the

16. Restrictions and certifications regarding non-disclosure agreements and related matters no Subrecipient under this award, or entity that receives a procurement contract or

subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information. The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

- a. In accepting this award, the recipient—
 - i. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - ii. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.
- b. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--
 - i. it represents that— it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - ii. it has made appropriate inquiry, or otherwise has an adequate

- factual basis, to support this representation; and
- iii. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

17. The Subrecipient agency understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of any contract or subaward to either the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries, without the express prior written approval of the NH Department of Justice and the Office of Justice Programs.
18. The Subrecipient assures that federal funds received for this grant program will not be used to supplant existing funds otherwise available for this victim assistance program.
19. Equipment purchased with VOCA funds shall be listed by the Subrecipient on the agency inventory. The inventory must include the item description, serial number, cost, percentage of federal VOCA funds, and location. The Subrecipient agrees that the title to any equipment purchased with VOCA funds will revert back to the New Hampshire Department of Justice, Grants Management Unit, when it is no longer being used for the VOCA program purposes for which it was acquired.
20. The Subrecipient agrees that if a financial audit of the agency is performed, whether it be an audit under 2 CFR or not, the Subrecipient agrees to provide a copy of the audit and any associated management letters to the New Hampshire Department of Justice, Grants Management Unit.
21. The Subrecipient assures that in the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination within the three years prior to the

receipt of the federal financial assistance and after a due process hearing against the Subrecipient on the grounds of race, color, religion, national origin, sex, age, or disability, a copy of the finding will be submitted to the New Hampshire Department of Justice, Grants Management Unit and to the U.S. Department of Justice, Office for Civil Rights, Office of Justice Programs, 810 7th Street, NW, Washington, D.C. 20531. For additional information regarding your obligations under civil rights please reference the state website at <http://www.doj.nh.gov/grants-management/civil-rights.htm> and understand if you are awarded funding from this office, civil rights compliance will be monitored by this office, and the Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice.

22. The Subrecipient must certify that Limited English Proficiency persons have meaningful access to any services provided by this program. National origin discrimination includes discrimination on the basis of limited English proficiency (LEP). Meaningful access may entail providing language assistance services, including oral and written translation when necessary. The U.S. Department of Justice has issued guidance for grantees to help them comply with these requirements. The guidance document can be accessed on the Internet at www.lep.gov.
23. The subrecipient, if a non-profit organization, agrees to make its financial statements available online (either on the subrecipient's website, or the NH Department of Justice's, or another publicly available website). Organizations that have Federal 501 (c) 3 tax status are considered in compliance with this requirement, with no further action needed, to the extent that such organization files IRS Form 990 or similar tax document (e.g., 990-EZ), as several sources already provide searchable online databases of such financial statements.
24. The Subrecipient, if a non-profit organization, must certify their non-profit status by submitting a statement to NH Department of Justice: 1) affirmatively asserting that the recipient is a non-profit organization and 2) indicating that the Subrecipient has on file and available upon audit one of the following:
- A copy of the organization's 501 (c) 3 designation letter, or:

- Subrecipient that are local non-profit affiliates of state or national non-profits should also have a statement by the parent organization that the Subrecipient is a local non-profit

affiliate.

25. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award). The recipient, and any subrecipient at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient. The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <http://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.
26. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events. The subrecipient at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences. Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Post award Requirements" in the "2015 DOJ Grants Financial Guide").
27. Requirement for data on performance and effectiveness under the award
the recipient must collect and maintain data that measure the performance and effectiveness of activities under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act, and other applicable laws.

28. OJP Training Guiding Principles

Any training or training materials that the Subrecipient at any tier -- develops or

LMS

delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <http://ojp.gov/funding/ojptrainingguidingprinciples.htm>.

29. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2016) The Subrecipient at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2016, are set out at: <http://ojp.gov/funding/Explore/FY2016-AppropriationsLawRestrictions.htm> and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact their grant manager for guidance, and may not proceed without the express prior written approval of the grant manager and OJP.
30. Subrecipient will authorize representatives of the Office for Victims of Crime and/or the Office of the Chief Financial Officer access to and the right to examine all records, books, paper or documents related to the VOCA grant.
31. Certification regarding debarment, suspension ineligibility, and voluntary exclusion
A person may be debarred or suspended for any of the causes listed in 28 CFR §67.305 and §67.405. A person who is debarred or suspended shall be excluded from Federal financial and non-financial assistance and benefits under Federal programs and activities. Debarment or suspension of a participant in a program by one Federal agency shall have government wide effect. For purposes of this certification, "prospective lower tier participant" shall refer to the Subrecipient.

Instructions for Certification:

- a) By signing and submitting this proposal, the prospective lower tier participant is providing the certification as set out.
- b) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or

debarment.

- c) The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- d) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
- e) The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
- f) The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- g) A participant in a covered transaction may rely upon a certification of a prospective participant in lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.
- h) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- i) Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

AND VOLUNTARY EXCLUSION
LOWER TIER COVERED
TRANSACTIONS

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 28 CFR §67.510, Participants' responsibilities. The intent of this Order was to ensure that no subgrantee of federal funds had been restricted from conducting business with the federal government due to any of the causes listed in 28 CFR §67.305 and 28 CFR §67.405.

By signing this document, you are certifying that neither your agency, nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in any transaction by any Federal department or agency.

If you are unable to sign this certification, you must attach an explanation to this certification.

32. Certification Regarding EEOP Required:

If required, within 30 days from the date of the award, the Subrecipient will submit for approval, an acceptable Equal Employment Opportunity Plan (EEOP) as required by 28 CFR 42.301 et seq. or a Certification Form to both the NH DOJ and the Office of Civil Rights, Office of Justice Programs, US DOJ at 810 7th Street, NW, Washington, DC 20531. Failure to submit an approved EEOP or Certification is a violation of the Program Guidelines and Conditions and may result in suspension or termination of funding, until such time as the Subrecipient is in compliance. Additional information on EEOP requirements may be found here: http://ojp.gov/about/ocr/faq_eeop.htm

The form and instructions can be found at: <http://ojp.gov/about/ocr/pdfs/cert.pdf>

33. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$150,000. The Subrecipient at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$150,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward). The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <http://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$150,000)), and are incorporated by reference here.

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization which is not a private foundation until the expiration of your advance ruling period.

Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Internal Revenue Code, because you are an organization of the type described in section *. Your exempt status under section 501(c)(3) of the code is still in effect. *170(b)(1)(A)(vi) and 509(a)(1).

Grantors and contributors may rely on this determination until the Internal Revenue Service publishes notice to the contrary. However, a grantor or a contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of section 509(a)(1) status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section 509(a)(1) organization.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

For tax years ending on and after December 31, 1982, organizations whose gross receipts are not normally more than \$25,000 are excused from filing Form 990. For guidance in determining if your gross receipts are "normally" not more than the \$25,000 limit, see the instructions for the Form 990.

Sincerely yours,

District Director
