Explanation

Governor Hassan submitted a request to the President on March 6, 2013, for a major disaster declaration for the State of New Hampshire due to a severe winter storm and snow storm on February 8 - 10, 2013, involving record snow precipitation in eight counties. The President declared the State of New Hampshire a major disaster area on March 19, 2013, and designated Belknap, Carroll, Cheshire, Hillsborough, Merrimack, Rockingham, Strafford and Sullivan counties eligible to receive public assistance.

The request to accept \$1,885,772.00 represents the federal share of the public assistance and administrative cost allowances for the grantee and sub-grantees that can reasonably be estimated to be expended in FY13. A separate request for \$5 million or more will be forthcoming to cover expenses in FY14 and FY15. Several New Hampshire State Agencies, including the Department of Transportation and the Department of Safety, along with over 100 New Hampshire municipalities are expected to apply for supplemental assistance with the Federal Emergency Management Agency.

The Honorable Mary Jane Wallner, Chairman Fiscal Committee of the General Court

Her Excellency, Governor Margaret Wood Hassan and the Honorable Council May 15, 2013 Page 2 of 2

The funding mechanism is 75% Federal 25% State/Local share. The 25% required match for State Agency projects will be paid from existing budgeted appropriations or an additional request for these funds will be made through the State Legislature. The local share is the responsibility of the local applicant. The administrative cost allowance is 100% federally funded and is awarded automatically as a percentage of the public assistance project awards. Indirect costs are budgeted based only on the Grantee Administration portion of the funds, as all other funds are considered pass-through funds and are not subject to indirect costs.

Class 040	The funds will be used to pay state indirect costs.
Class 041	The funds will be used to pay audit fund set aside expense.
Class 072	The funds will be used for disaster assistance grants to communities and state agencies.
Class 246	The funds will be used for grantee administrative costs.

Respectfully submitted,

John J. Barthelmes Commissioner
