EXPLANATION

This is a contract to provide lawn maintenance services, mowing and trimming, at the Winnepesaukee River Basin Program's (WRBP) Laconia compound on Water Street as well as ten (10) additional pump stations located throughout the Lakes Region area. The WRBP provides wastewater collection and treatment for ten (10) communities situated throughout the Lakes Region and a significant component of the WRBP system is the Laconia compound and associated pumping stations.

Laconia staff of mechanics and electricians are responsible for the operation and maintenance of the WRBP wastewater collection system and treatment facility. The Laconia operation is not staffed with grounds maintenance personnel because there is not enough work of this nature to necessitate hiring employees or maintaining equipment specifically for this seasonal need.

The scope of services at each WRBP location is described in detail in Exhibit A. The contract price in Exhibit B is based on a bid unit cost for each mowing event times with a maximum of twelve events per calendar year. The contractor will only be paid for the actual number of mowing events at the bid cost of each event.

A Request for Quotations (RFQ) was prepared and sent to six (6) area firms who were known to perform this type of service. The RFQ was also advertised locally in the Citizen of Laconia newspaper and posted on the State's Purchase and Property website. Responses to the RFQ were as follows:

<u>Company</u>	<u>Quotation</u>
Todd Randlett Trucking, LLC, Holderness, NH	\$ 19,440.00
Cheapskate Landscaping & Property Maintenance, LLC, Brentwood, NH	\$ 20,064.00

Dawson's Excavation - Moultonboro, NH	No response
Dolloff Lawncare, Laconia, NH	No response
TurfPro-Landscape Maintenance, Belmont, NH	No response

As a result of the quotes and subsequent due diligence, we wish to award the contract to Todd Randlett Trucking, LLC.

All of the WRBP's operating expenses are paid by the users of the wastewater treatment and collection system; there is no General Fund contribution to the system's operating budget.

This contract has been approved by the Department of Justice for form, substance and execution.

We respectfully request your approval of this contract.
