His Excellency, Governor Christopher T. Sununu  
And the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Health and Human Services (DHHS), Division for Children, Youth and Families (DCYF), to enter into a **sole source** agreement with Adoptive Families for Children Foundation, (Vendor #TBD), 18 Centre Street, Concord, NH 03301, in an amount not to exceed \$100,000, to provide a resource repository for New Hampshire DCYF child placing agencies and prospective adoptive parents, in order to assist locating families for the children in DCYF guardianship who are waiting for adoptive families, effective January 1, 2018, or upon date of Governor and Executive Council approval, through December 31, 2019. 50% Federal Funds, 50% General Funds.

Funds to support this request are available in the following account for SFY 2018 and SFY 2019, and are anticipated to be available in SFY 2020, upon the availability and continued appropriation of funds in the future operating budget, with the ability to adjust amounts within the price limitation and adjust encumbrances between State Fiscal Years through the Budget Office if needed and justified, without approval from Governor and Executive Council.

SFY 2020	646-504006	IV-E Adopt Funds FR Placement	42105878	\$25,000
			<b>Total</b>	<b>\$100,000</b>

**Explanation**

This is a **sole source** request because there is no other source in the area to supply this service. Adoptive Families for Children Foundation (AFFCF) approached DCYF about creating an Adoption Exchange for New Hampshire as they have already applied and received grant funding from

a private funder for this purpose. AFFCF has already put time and attention into creating a proposal for this project which resulted in their private grant award. New Hampshire Division for Children, Youth and Families would be able to achieve the goal of creating a New Hampshire Adoption Exchange by combining our funding with the funds Adoptive Families for Children Foundation have already been awarded.

In previous years New Hampshire children have been hosted by Massachusetts on their Adoption Exchange site, however, beginning last year, Massachusetts is no longer offering this service to New Hampshire Children. An adoption resource exchange is a valuable tool for the recruitment of families for the most vulnerable children served by the Division. DCYF has identified funding that we can use to supplement the grant that the Vendor received from the Endowment for Health.

Funds in this agreement will be used to establish an adoption resource exchange which will serve as a repository for New Hampshire DCYF child placing agencies and prospective adoptive parents.

The exchange will be a tool for the recruitment of adoptive families, education, support, and advocacy for adoptive and prospective adoptive families throughout the adoption process and after adoption. It will have special features targeted to attract potential parents for specific waiting children and will serve as New Hampshire's clearinghouse for adoption information and referral, and will identify potential matches between children and families.

Notwithstanding any other provision of the Contract to the contrary, no services shall be provided after June 30, 2019, and the Department shall not be liable for any payments for services provided after June 30, 2019, unless and until an appropriation for these services has been received from the state legislature and funds encumbered for the SFY 2020-2021 biennia.

Should Governor and Executive Council not authorize this Request, DCYF's Adoption Assistance Program may not meet the requirements of the Adoptions and Safe Families Act of 1997 (H.R. 867) Public Law 105-89 which requires Documentation of Efforts to Adopt. For every child whose permanency plan is adoption or placement in another permanent home, states are required to document the steps taken to find an adoptive family or permanent home, place the child with the adoptive family, a fit and willing relative, a legal guardian, or in another planned living arrangement, and finalize the adoption or legal guardianship.

As referenced in Exhibit C-1 of this contract, this Agreement has the option to extend for up to four (4) years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council.

Area served: Statewide

Source of Funds: 50% Federal Funds from Title IV-E Adoption Assistance Program Grant, and 50% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Joseph E. Ribsam, Jr.  
Director

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION  
AND OTHER RESPONSIBILITY MATTERS**

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

**INSTRUCTIONS FOR CERTIFICATION**

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

Handwritten signature and date: 12/21/17

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

**PRIMARY COVERED TRANSACTIONS**

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
  - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
  - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
  - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (I)(b) of this certification; and
  - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

**LOWER TIER COVERED TRANSACTIONS**

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
  - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
  - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

To the Board of Directors  
Adoptive Families for Children Foundation, Inc.  
Concord, New Hampshire 03301

(a not-for-profit organization), which comprise the statement of financial position as of December 31, 2016, and the related statement of activities and change in net assets and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements, nor were we required to perform any procedures to verify the accuracy or the completeness of the information provided by management, and we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America.
