			Total:	\$277,545

EXPLANATION

The purpose of this agreement is to obtain consulting services in order to design, develop, and implement a cost allocation plan that will maximize public assistance funds for programs administered by the Department. The plan will be in compliance with the current

OMB 2 CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, Appendix VI to Part 200 - Public Assistance Cost Allocation Plans and previous Code of Federal Regulations, Title 45 - Public Welfare and Human Services, Part 95 Grant Programs, Subpart E – Cost Allocation Plans, Section 95.509.

The current Public Assistance Cost Allocation Plan (PACAP) of the New Hampshire Department of Health and Human Services is based on the reorganization of January 9, 1996 and is codified under Chapter 310, State of New Hampshire Laws of 1995. The purpose of the Public Assistance Cost Allocation Plan is to document the federal, state and other funded programs administered by the Department, and the procedures by which the program services and administrative costs of the Department are allocated to these programs.

The Department submitted its Public Assistance Cost Allocation Plan to describe the organizational structure of the Department, the programs, services and grants for which the Department is responsible, the interagency agreements with other Departments, and the cost allocation methods used by the Department. Changes that have been made within the Department require that an amendment to the existing Public Assistance Cost Allocation Plan be submitted for federal approval.

This contract was competitively bid. The Department published a Request for Proposals on the Department's website on December 21, 2016, through January 20, 2017, in order to solicit proposals from vendors to acquire Public Assistance Cost Allocation Plan consulting services. The Department received four (4) proposals.

The proposals were reviewed and scored by a team of individuals with program specific knowledge. The review included a thorough discussion of the strengths and weaknesses of the proposals. BerryDunn was the high scoring bidder and was awarded the contract. The Bid Summary is attached.

As referenced in the Request for Proposals and in Exhibit C-1 of this contract, this Agreement has the option to extend for up to two (2) additional year(s), contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

Notwithstanding any other provision of the Contract to the contrary, no services shall be provided after June 30, 2017, and the Department shall not be liable for any payments for services provided after June 30, 2017, unless and until an appropriation for these services has been received from the state legislature and funds encumbered for the SFY 2018-2019 biennia.

Should Governor and Executive Council not authorize this request, the Department may not have a Public Assistance Cost Allocation Plan that is compliant with federal regulations. This will prohibit the Department from obtaining federal reimbursement for costs incurred.

Area served: Statewide

Source of Funds: 50% Federal Funds 50% General Funds

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Sheri Rockburn
Chief Financial Officer

4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.
6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.
7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
 - 7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;

The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I.
