**REQUESTED ACTION**

1) Authorize the Office of Energy and Planning (OEP) to enter into a **RETROACTIVE SOLE SOURCE** contract with Community Action Partnership of Strafford County (VC #177200), Dover, NH, in the amount of \$114,815.00 for the federal Weatherization Assistance Program (WAP) effective April 1, 2015, through March 31, 2016, upon approval of Governor and Executive Council. 100% Federal Funds.

Funding is available in the following account, Low Income Weatherization, contingent upon the availability and continued appropriation of funds in the FY 2016 operating budget, as follows:

	<u>FY 2015</u>	<u>FY 2016</u>
01-02-02-024010-77060000		
074-500587 Grant for Pub. Assist & Relief	\$27,799.00	\$87,016.00

2) Further request authorization to advance to the vendor \$27,799.00 of the above-referenced contract amount.

**EXPLANATION**

OEP is responsible for administering New Hampshire's statewide Weatherization Assistance Program (WAP), funded by a grant from the U.S. Department of Energy (USDOE). The objective of the program is to weatherize homes to reduce energy consumption and energy costs in eligible low income households. Priority is given to households that include elderly, disabled, or children, and households with high energy usage. OEP contracts with New Hampshire's Community Action Agencies (CAAs) to provide weatherization services at the local level. OEP estimates that approximately one hundred seventy-two (172) homes will be weatherized throughout the State as a result of the State's USDOE grant award.

This request is **RETROACTIVE** due to delays in the Congressional authorization of the Federal grant that supports New Hampshire's Weatherization Assistance Program. Due to these delays, the US DOE has authorized OEP to reimburse sub-recipients for eligible weatherization expenses for the full WAP program year, which is from April 1, 2015, through March 31, 2016.

This contract is **SOLE SOURCE** because of US DOE's grant guidance (10 CFR 440.15) giving Community Action Agencies preferred status for the Weatherization Assistance Program due to their non-profit status, their role providing a range of services to clients eligible for WAP, and their historical performance delivering the weatherization program.

The requested advance of funds will enable Community Action Partnership of Strafford County to operate the program between monthly reimbursements from the State, and may only be used for allowable program expenses as detailed in Exhibit B.

In the event that Federal Funds are no longer available, General Funds will not be requested to support this contract.

Respectfully submitted,

Meredith A. Hatfield  
Director

## Scope of Services

1. Community Action Partnership of Strafford County, hereinafter “the Contractor” or “Subgrantee,” agrees to perform weatherization services and all additional services and other work necessary to provide Weatherization Assistance Program (WAP) services to eligible low income individuals in accordance with the regulations set forth by the U. S. Department of Energy in 10 CFR 440 dated February 1, 2002, and 10 CFR 600 as amended, and in accordance with the provisions and procedures contained in the most recent New Hampshire Weatherization Assistance Program (NHWAP) State Plan, Policies and Procedures Manual, Field Guide, and as otherwise administered by the Office of Energy and Planning (OEP).

Periodically OEP may issue Subgrantee Guidance (SG) and Subgrantee Notices (SN) or other clarifications as necessary. All such changes shall be considered as incorporated into the NH Weatherization Policies and Procedures Manual and Field Guide. The Contractor agrees to alter the Program procedures in accordance with a SG, SN or other instructions.

The Subgrantee agrees to abide by changes in the NH Weatherization Assistance Program designed to improve program delivery and further agrees to perform Weatherization Program services in a manner that will successfully interact with utility administered energy efficiency programs for low-income households in order to provide the best services for New Hampshire’s low-income households.

2. The contract period, to be known as Program Year 2015 (PY15), will commence, retroactively, on April 1, 2015, and will have a completion date of March 31, 2016, subject to the approval of Governor and Executive Council.
3. Plans for expenditure of funds for Training and Technical Assistance, Program Implementation, and Leveraging Activities must be defined in the Contractor’s Management Plan (CMP) and approved by OEP. Requests to deviate from the plan must be made in writing in advance, and approved by OEP as prescribed in the NH Policies and Procedures Manual.
4. In PY15, Contractor agrees to complete Weatherization Services on 16 (sixteen) dwelling units according to the standards outlined in the most recent NH Weatherization Policies and Procedures Manual and Field Guide.

Specific energy conservation measures and heating source repairs are then implemented in order of priority and cost effectiveness. This integrated activity is carried out in accordance with provisions and procedures outlined in the most recent NH Policies and Procedures Manual and Field Guide.
  - (b) The minimum number of dwelling units and the amount of funds to be expended shall conform to the provisions of this contract and shall be incorporated into the CMP. Deviations of more than 20% from expected dwelling unit goals in any given quarter may result in a reduction of the contract amounts and a reallocation of funds to other contractors.
5. In accordance with the US DOE’s “Quality Work Plan” (QWP) and the provisions of Weatherization Program Notice (WPN) 15-4 ([http://www.waptac.org/data/files/Website\\_docs/Government/Guidance/2014/WPN-15-4.pdf](http://www.waptac.org/data/files/Website_docs/Government/Guidance/2014/WPN-15-4.pdf) ), beginning

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12529 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

#### **CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS - PRIMARY COVERED TRANSACTIONS**

##### *Instructions for Certification*

- (1) By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
- (2) The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- (3) The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
- (4) The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (5) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
- (6) The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
- (7) The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- (8) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (of excluded parties).
- (9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (9) Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

## **INDEPENDENT AUDITORS' REPORT**

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Community Action Partnership of Strafford County (a New Hampshire nonprofit organization), which comprise the statement of financial position as of December 31, 2013, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Action Partnership of Strafford County as of December 31, 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matters**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated June 24, 2014, on our consideration of Community Action Partnership of Strafford County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Action Partnership of Strafford County's internal control over financial reporting and compliance.
