REQUESTED ACTION

Authorize the Department of Transportation to enter into a contract amendment with Mount Washington Valley Economic Council, Inc., (Vendor 166706), Conway, New Hampshire, to increase the contract amount by \$32,385 from \$152,631 to \$185,016 for coordinated transportation services for seniors and individuals with disabilities effective upon Governor and Council approval or July 1, 2018, whichever is later, through June 30, 2019. The original agreement was approved by Governor and Council on June 7, 2017, Item 27. 100% Federal Funds.

Funding is available as follows:

	<u>FY 2019</u>
04-96-96-964010-2916	
Public Transportation	
072-500575-0000 Grants to Non-Profits-Federal	\$ 32,385

EXPLANATION

On December 28, 2017, the Department announced the availability of Federal Transit Administration (FTA) Section 5310 Enhanced Mobility of Seniors and Individuals with Disabilities program funds (Section 5310 Formula) for a one year period to support coordinated transportation services in the nine NH Regional Coordination Council (RCC) regions. The available funds were allocated by region according to a formula based on regional populations of residents over 65 and those between the ages of 5-64 with disabilities. Each individual Regional Coordinating Council was responsible for conducting its own project solicitation, evaluation, and prioritization and then submitting one regional application, through an approved lead agency, to the Department for eligible Section 5310 Formula Funds projects. As required by FTA, all projects are identified in a locally developed coordinated public transit-human services transportation plan. This contract amendment is based on the availability of FTA Section 5310 Formula funds that the Department has sub allocated to each RCC through a formula apportionment for State Fiscal Year 2019. Since Mount Washington Valley Economic Council (MWVEC) has been designated by the Region 2 Carroll County region RCC as the

lead agency for Section 5310 Formula funded projects, this contract is proposed to be amended to include additional allocated funds for SFY 2019 activities in Region 2, Carroll County region.

MWVEC is a recipient of both Section 5310 Purchase of Service program funds and Section 5310 Formula funds to assist in the provision of expanded transportation services in the Region 2 Carroll County RCC service area. The Department entered into a two-year contract with MWVEC for the period July 1, 2017 to June 30, 2019 and included SFY 2018 and 2019 Section 5310 Purchase of Service funds and SFY 2018 Section 5310 Formula funds. SFY 2019 Section 5310 Formula funds were not originally included in the contract agreement as the Department and the State Coordinating Council for Community Transportation in New Hampshire (SCC) have been meeting to assess the use of 5310 Formula funds by the RCCs and make recommendations for their future use. Since discussions continue to be ongoing, the Department is requesting Section 5310 Formula funds for SFY 2019 to continue ongoing services for the remainder of the contract period. The Department has sub allocated available 5310 Formula funds to each RCC for SFY 2019 and separate contracts for each RCC will be submitted. This contract amendment is reflective of the allocation made available to Region 2, which MWVEC represents, and provides \$32,385 (80% Federal) for SFY 2019 activities. The twenty percent (20%) required match to leverage the Federal funds will be provided by cash match through MWVEC.

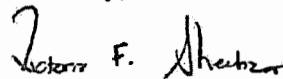

In the event that federal funds become unavailable, general funds will not be requested to support this program.

All other provisions of the agreement shall remain in effect.

The amendment has been approved by the Attorney General as to form and execution and the Department has verified that the necessary funds are available. Copies of the fully executed amendment are on file at the Secretary of State's Office and the Department of Administrative Services, and subsequent to the Governor and Council approval will be on file at the Department of Transportation.

Your approval of this resolution is respectfully requested.

Sincerely,

Victoria F. Sheehan
Commissioner

Authorize the Department of Transportation to enter into an agreement with Mount Washington Valley Economic Council, Inc. (Vendor 166706), Conway, New Hampshire, for an amount not to exceed \$152,631 for coordinated transportation services for seniors and individuals with disabilities, for the period July 1, 2017 through June 30, 2019, effective upon approval by Governor and Council. 100% Federal Funds.

Funding for this agreement is available in the State fiscal year 2018 and 2019 budget, contingent upon the availability and continued appropriation of funds, with the authority to adjust encumbrances in each of the State fiscal years through the Budget Office if needed and justified.

EXPLANATION

Mount Washington Valley Economic Council, Inc. (MWVEC) has been awarded funding from the Federal Transit Administration (FTA) Section 5310 Enhanced Mobility of Seniors and Individuals with Disabilities (Section 5310) program. MWVEC is a recipient of both Section 5310 Purchase of Service program funds and Section 5310 Formula Funds to provide expanded transportation services in the Region 2 Carroll County Regional Coordinating Council service area. MWVEC will act as the lead agency to purchase accessible demand response and volunteer driver transportation services for seniors and individuals with disabilities in cooperation with the Region 2 Carroll County Regional Coordinating Council.

The Department has been working closely with the State Coordinating Council for Community Transportation to develop regional coordination of human services transportation, through nine designated regions. In December 2016, the Department announced the availability of federal funds for a two year period for Section 5310 Purchase of Service funds to support coordinated transportation services for seniors and individuals with disabilities. In January 2017, the Department announced the availability of federal funds for a one year period for Section 5310 Formula Funds to support coordinated transportation services for seniors and individuals with disabilities. The available funds for each program were allocated by region, according to a formula based on regional populations of residents over 65 and those between the ages of 5-64 with disabilities. Each individual Regional Coordinating Council was responsible for conducting its own project solicitation, evaluation, and

prioritization and then submitting one regional application for eligible Section 5310 Purchase of Service and Section 5310 Formula Funds projects through an approved lead agency. As required by FTA, all projects are identified in a locally developed coordinated public transit-human services transportation plan.

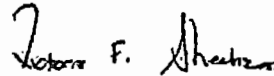

The Carroll County Regional Coordinating Council for Region 2 designated MWVEC as the lead agency to apply for both Section 5310 Purchase of Service and 5310 Formula Funds and has submitted a regional list of eligible projects as detailed in the region's applications for funding. Funding for Section 5310 Purchase of Service is for the period 7/1/2017 to 6/30/2019 while funding for Section 5310 Formula Funds is for the period 7/1/2017 to 6/30/2018. Both programs require a twenty percent (20%) match, which will be provided by cash and eligible in-kind match.

In the event that federal funds become unavailable, general funds will not be requested to support this program.

The Agreement has been approved by the Attorney General as to form and execution and the Department will verify the necessary funds are available pending enactment of the Fiscal Year 2018 and 2019 budget. Copies of the fully executed agreement are on file at the Secretary of State's Office and the Department of Administrative Services' Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

Your approval of this resolution is respectfully requested.

Sincerely,

Victoria F. Sheehan
Commissioner
