The original contract was approved by the Governor and Executive Council on September 16, 2015, Item #51, and an amendment was approved by the Governor and Executive Council on January 27, 2016, Item #38. **100% Federal Funds**

EXPLANATION

This request is to amend the Scope of Work, Contract Price, and Contract Term for the Consortium Manager contract with Firebrand International, LLC. The request is made as the Department recently applied for and received a no-cost extension of the Office of Economic Adjustment grant that extends the end date of the total grant until September 30, 2016. The extension of the grant through September 30, 2016 was recently approved by both the Fiscal Committee and Governor and Executive Council. Due to the need to get the grant extension approved first, the Department is now requesting a retroactive extension through September 30, 2016, in order to align the completion date of the contract with Firebrand International, LLC with the Federal grant end date. Additionally, the Department is requesting that the contract amount be increased by \$4,609 from \$48,000 to \$52,609 to cover the cost of additional time and activities that are a vital component of the Consortium Manager's duties and expectations.

The purpose of this consultancy is to coordinate with the Office of International Commerce by providing management for, and evaluation of a sustainable consortium for the New Hampshire Aerospace and Defense Export Sector. The objective is to increase the value of export sales and the number of new to export companies in the aerospace and defense cluster as well as to increase the number of contractual arrangements entered into by New Hampshire companies resulting in future export sales.

•

The Attorney General's Office has approved this contract amendment as to form, substance and execution.

Respectfully submitted,

Concurred,

December 21, 2015

Her Excellency, Governor Margaret Wood Hassan and the Honorable Executive Council State House Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Resources and Economic Development, Division of Economic Development's Office of International Commerce to enter into a **RETROACTIVE** contract amendment with Firebrand International, LLC (VC #226655), Portsmouth, NH in the amount of \$48,000 to act as Consortium Manager for the New Hampshire Aerospace and Defense Export Consortium, in compliance with a grant awarded by the US Department of Defense through the Office of Economic Adjustment, by extending the completion date to May 31, 2016 from the original completion date of December 31, 2015. No additional funding is involved in this time extension. The original contract was approved by the Governor and Executive Council on September 16, 2015, Item #51. **100% Federal Funds**

EXPLANATION

This request is to amend the end date only for the Consortium Manager contract with Firebrand International, LLC. The request is retroactive as the Department originally requested an end date of December 31, 2015 for this contract to coincide with the grant funding that was approved through December 31, 2015 to comply with the Continuing Resolution (Chapter 158, Laws of 2015). An extension of the grant through May 31, 2016 was recently approved by both the Governor and Executive Council (Item #51, December 16, 2015) and Fiscal Committee (FIS #15-253, December 18, 2015). Due to the need to get the grant extension approved first, the Department is now requesting a no-cost retroactive extension for this contract through May 31, 2016 in order to align with the Federal grant end date.

The purpose of this consultancy is to coordinate with the Office of International Commerce by providing management for, and evaluation of a sustainable consortium for the New Hampshire Aerospace and Defense Export Sector. The objective is to increase the value of export sales and the number of new to export companies in the aerospace and defense cluster as well as to increase the number of contractual arrangements entered into by New Hampshire companies resulting in future export sales.

The Attorney General's Office has approved this contract amendment as to form, substance and execution.
