

## **To Dublin residents:**

Due to an unprecedented number of absentee ballots for the **November 3 General Election**, town election officials will begin the normal process of **pre-processing the ballots at 12 noon on Saturday, October 31st**, at Town Hall. Outer envelopes will be opened to check for the required signatures, but the inner envelopes will remain sealed, and the votes will not be recorded until the day of the election, November 3rd, starting at 10 a.m. This is a public meeting, and observers are welcome.
