EXPLANATION

RSA 471-C, New Hampshire's *Unclaimed and Abandoned Property Law*, provides that the Treasurer may contract with other entities to identify, recover, and remit unclaimed or abandoned assets (e.g. cash and securities) through audit or examination of records. Such examinations are conducted largely with out-of-state holders of such property. Treasury, upon report and remittance, endeavors to contact the rightful owner who may then claim the property. Amounts not claimed shall be escheated and deposited in the General Fund.

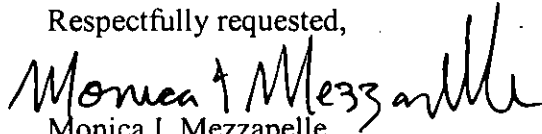

His Excellency, Governor Christopher T. Sununu
and the Honorable Council

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. 8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

2. The period in which Kelmar shall examine and identify unclaimed property shall consist of the current reporting cycle as of the date of commencement of examination, as well as any prior reporting cycles for which property remains unclaimed and unreported.
3. Kelmar shall, when examining for New Hampshire, adhere to New Hampshire's abandoned property law, as defined in RSA 471-C, and Code of Administrative Rules. New Hampshire shall notify Kelmar of all changes in its statutes or administrative rules initiated by or made known to the Treasurer. Kelmar shall be responsible for performance in accordance with current laws and regulations whether state or federal.
4. It is understood by the parties that Kelmar shall not commence an examination on behalf of New Hampshire without first obtaining New Hampshire's written consent or direction.
5. The holding of the U. S. Supreme Court in Texas v. New Jersey, 85 S. Ct. 1136 (1965), Pennsylvania v. New York, 92 S. Ct. 2820, (1972), and Delaware v. New York, 113 S. Ct. 1550, (1993), and any applicable federal legislation regarding which state has the right to escheat property shall be followed.
 - a. Where the name and last known address of the apparent owner according to the books and records of the holder is in New Hampshire, it shall be deemed to be reportable to New Hampshire.
 - b. If the holder has never maintained records setting forth the name and last known address of the apparent owner, the property shall be deemed reportable to the state of incorporation of the holder. An address shall be deemed reportable to the state of incorporation of the holder. An address shall be deemed to mean a description of location sufficient for the delivery and receipt of mail. Where no addresses presently exist, but the holder at one time maintained addresses of the apparent owners, the property shall be deemed reportable to the state of incorporation of the holder. Date 6/15/2020

- c. Where the address of the apparent owner cannot be readily ascertained, but in fact exists in the books and records of the holder, sampling techniques will be used to allocate the property among the states participating in the review. In such event, if required, sampling techniques will also be utilized to ascertain the proportion of the total reportable property for which the holder has names and last known addresses. Kelmar shall notify New Hampshire when sampling techniques under this paragraph are being used.
 - d. If the above rules do not provide for a case, or the state having the priority claim cannot be determined, Kelmar shall notify New Hampshire of such fact if the holder is incorporated in New Hampshire or if an address in New Hampshire may be established from the books or records of the holder.
 - e. In the event that the state of priority claim provides for an exemption, deduction, exclusion or otherwise does not choose to assert jurisdiction over the property, New Hampshire shall be the state for reporting this property where it is the state of incorporation, and further shall be a state of proportion for reporting such property as described above in subparagraph (c) where it is not the state of incorporation.
6. If for certain periods the amount of reportable property cannot be ascertained from the books and records of the holder, projection and estimation techniques may be used to determine the reportable amounts for such periods. If names and addresses exist with respect to the abandoned property used in the projection and estimation, the names and addresses shall not be used to determine which state has the priority claim to the abandoned property estimated to be due.
 7. All sampling and projection and estimation techniques used by Kelmar shall be a method approved by "THE TREASURER" or his/her designee prior to their use.

B. Demand for Delivery of Unclaimed Property.

3. In the event a holder fails, neglects or refuses to remit the subject property after receipt of a report of examination by Kelmar, and after thirty (30) day demand has been made for payment, and New Hampshire is thereafter required to take any additional measures to recover the property identified, Kelmar's fee shall be based on the net recovery of the value of the subject property after reduction to account for the cost of any and all actions by the New Hampshire to effect said recovery.
