## ***Revolution 2021***

This summer, Young Americans for Liberty will train over 1,000 of our best and brightest students in Florida.

This training is needed now more than ever. As you know, there's no sugarcoating the current state of affairs.

Our so-called "leaders" in DC are on a mission to kill jobs domestically, print money at the speed of light, and ignite more endless wars in the Middle East.

Governors across the country are still exploiting the emergency powers granted to them in the COVID crisis.

And universities are dividing students with identity politics, declaring big government as the answer, and shutting down "problematic" discussions of the ideas of liberty

These are just some of the reasons why Young Americans for Liberty is gathering our top students, and training them how to fight back.

245 years ago, on a July afternoon, a group of patriots— many of them in their twenties— gathered to declare independence and form a nation under the banner of freedom. It's with their legacy in mind that Young Americans for Liberty is excited to announce Revolution 2021

From August 5th through the 7th, over 1,000 young people will join Young Americans for Liberty in Orlando, Florida for a transformative weekend. They will meet the top leaders in our movement, immerse themselves in the ideas of liberty, and get trained on how to take effective political action.
