Her Excellency, Governor Margaret Wood Hassan  
and the Honorable Executive Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

1. Authorize the Department of Resources and Economic Development, Division of Parks and Recreation, Cannon Mountain to enter into a contract with Royal Electric Company, Inc. (VC #154900), Woodsville, NH in the amount of \$5,785 for the labor and materials to eliminate the isolation transformer on the Zoomer Chairlift at Cannon Mountain Ski Area upon Governor and Executive Council approval through December 1, 2013. 100% Capital Funds
2. Further authorize a 10% contingency in the amount of \$580 to cover any unforeseen issues that may arise, that isn't covered under the original scope of services, once the work is underway. 100% Capital Funds

Funding is available in account titled, RSA 21-A:29-B Cannon Capital Improvement, as follows:

		<b><u>FY 2014</u></b>
03-35-35-350030-31320000-034-500161	Capital Projects	\$6,365

**EXPLANATION**

The current isolation transformer at Cannon Mountain's Zoomer Chairlift is significantly undersized causing continuous problems with the service and motor circuit of the lift. The Zoomer Chair is one of Cannon's most utilized lifts providing access to the well-known and visible front five trails amongst others. It is crucial to eliminate the isolation transformer and install a new distribution panel and line reactor, as the transformer at Zoomer in its current state is in jeopardy of operating.

In October 2013, an invitation to submit bids for "Cannon Mountain Zoomer Chairlift Isolation Transformer Upgrade" was advertised on the Department of Administrative Services' website. Royal Electric was the only vendor to submit a formal bid. Royal Electric has performed a great number of projects at Cannon Mountain, including working under the supervision of Lee Carrol of Gorham NH, thus gaining an unparalleled knowledge of the Mountain's electrical infrastructure. This involvement by Royal Electric along with their superior knowledge of Cannon's lift electrical systems, trade expertise, and close proximity to location positions them well to carry out the nature of this highly specialized project.

The Attorney General's office has reviewed and approved this contract as to form, substance and execution.

Respectfully submitted,

Concurred,

  
Philip A. Bryce  
Director

  
Jeffrey J. Rose  
Commissioner
