Requested Action – Award a Grant

Authorize the Community Development Finance Authority (CDFA), under the Community Development Block Grant (CDBG) program, to award a grant to the Town of Littleton, 125 Main Street, Suite 200, Littleton, New Hampshire in the amount of \$169,000.00 for the purpose of providing funds to the Northern Community Investment Corporation, upon Governor and Council approval, for the period effective April 22, 2015 through December 31, 2016. **100% federal funds.**

Explanation

The Northern Community Investment Corporation will use funds to purchase new training equipment for the Littleton Computer Numerically Controlled Training Center. The Training Center is being planned as a cooperative venture between the Hugh J. Gallen Career & Technical Center, NH Department of Resources and Economic Development, Littleton Industrial Development Corporation and Northern Community Investment Corporation.

Several manufacturing companies in the Littleton Industrial Development Corporation Industrial Park are considering expansions and adding new employees, including Rotobec USA, Inc. Many of the new jobs will require training in computer controlled equipment. Current training programs are unable to meet this need and the Center will aid in fulfilling that need.

A total of nine (9) jobs will be created by this grant at Rotobec USA of which 6 will be made available to low- and moderate-income persons.

This Agreement allocates a portion of the Community Development Block Grant (CDBG) funds provided to New Hampshire by the U. S. Department of Housing and Urban Development (HUD). CDFA is administering this program as provided by RSA 162-L. The funds for this contract are from the Community Development Block Grant Fund, which is intended to help municipalities solve development problems.

Sincerely,

Taylor Caswell
Executive Director

4. SUBRECIPIENT AND BUSINESS AGREEMENTS.

4.1 Grantee shall enter into a Subrecipient Agreement with the Subrecipient in a form satisfactory to CDFA and meeting the requirements of Attachment II, "Subrecipient Agreement, Minimum Terms and Conditions" and Attachment IIIA and IIIB, "Business & Employment Commitment Agreement, Minimum Terms and Conditions", attached hereto and incorporated herein by reference.

4.2 The Subrecipient Agreement shall provide for the subgranting of \$150,000 in CDBG funds for the purposes described herein and consistent with the terms and conditions of this Agreement.

4.3 Grantee shall provide to CDFA for its review and approval a proposed Subrecipient and Business & Employment Commitment Agreement prior to its execution. Prior to the disbursement of grant funds, but not more than thirty (30) days following the Effective Date of this Agreement, Grantee shall provide to CDFA an executed copy of said Subrecipient and Business & Employment Commitment Agreement.

4.4 Grantee shall cause all applicable provisions of this Exhibit A to be inserted in all Subrecipient agreements, contracts and subcontracts for any work or Project Activities covered by this Agreement so that the provisions will be binding on each Subrecipient, contractor and subcontractor; provided, however, that the foregoing provisions shall not apply to contracts for standard commercial supplies or raw materials. Grantee shall take such action with respect to any Subrecipient agreement, contract or subcontract as the State, or, where applicable, the United States, may direct as a means of enforcing such provisions, including sanctions for noncompliance.

4.5 If the employment commitment of the grant has not been fully satisfied by the Business, the Grantee shall contact CDFA in writing to determine the best course of action in satisfying the job creation commitments.

5. PROJECT MATCHING FUNDS; ADDITIONAL FINANCING.

5.1 The Parties agree that the CDBG funds to be awarded pursuant to this Agreement shall be matched with an investment from Rotobec U.S.A., Inc. in an amount of not less than \$170,000 in additional financing for the Grant Project.

5.2 Grant funds shall not be released or disbursed to Grantee unless and until the additional financing and matching requirements have been obtained and documented to CDFA's satisfaction.

6. GRANT PERFORMANCE: SECURITY.

6.1 Within sixty (60) days of execution of this agreement, and prior to release of grant funds, the Subrecipient shall provide a first position UCC filing lien on the equipment to the Grantee and on behalf of CDFA, which shall provide for a recovery of the CDBG funds in accordance with the Project Purpose. The Security shall be in the amount of \$150,000, in the event that the employment commitments, as provided herein, are not achieved.

As stated, the first position UCC filing lien on the equipment provides a secured guarantee of the performance of the job creation commitment by the Subrecipient and Business creating the jobs. If the Grantee and the Subrecipient or Business wishes to propose an alternative form of collateral of similar value, the CDFA will consider its proposal, if it provides a similar level of security.

The first position UCC filing shall be submitted to CDFA for its approval. Grantee shall submit to CDFA documentation of the lien recording.

6.2 Any CDBG funds returned to Grantee pursuant to enforcement of the first position UCC filing lien shall be returned to CDFA.

7. BUSINESS & EMPLOYMENT COMMITMENT AGREEMENT.

7.1 Grantee shall enter into a Business & Employment Commitment Agreement with the Subrecipient in a form satisfactory to CDFA, and also with the Business, meeting the requirements of Attachment IIIA and IIIB, "Business & Employment Commitment Agreement, Minimum Terms and Conditions", attached hereto and incorporated herein by reference.

7.2 If the employment commitment of the grant has not been fully satisfied by the Subrecipient, the Grantee shall contact CDFA in writing to determine the best course of action in satisfying the job creation commitments.

7.3 Grantee shall provide to CDFA for its review and approval the proposed Business & Employment Commitment Agreements prior to its execution. No grant funds shall be disbursed until an executed agreement has been received and approved by CDFA.

8. CONSTRUCTION CONTRACTING, BIDS, BONDS, INSPECTION AND CERTIFICATION (FOR CONSTRUCTION PROJECTS ONLY)

8.1 Prior to execution of the construction contract or contracts, Grantee shall submit the proposed contract(s) for the Improvements to CDFA for its review and approval to determine compliance with all applicable federal and state requirements. CDFA approval shall not abrogate its rights to enforce any part of this Agreement or constitute a waiver of any provision of this Agreement.

8.2 Grantee shall require all contractors and subcontractors to comply with all applicable requirements of federal, state, and local laws and regulations.

8.3 Grantee shall furnish and maintain competent technical supervision of the Project site throughout the construction of the Improvements to assure that the work conforms to the Plans, specifications, and schedules approved by CDFA for the Project.

8.4 Grantee shall provide CDFA reasonable notice of all preconstruction conferences to be scheduled in connection with the Grant Activities and afford CDFA the option of participating in such conferences.

8.5 **Bid Guarantees:** A bid guarantee from each bidder equivalent to five percent (5%) of the bid price shall apply to this contract and shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, executed such contractual documents as may be required within the time specified.

8.6 **Bonds Required:** Grantee covenants that each of its officials or employees having custody of the Grant funds during acquisition, construction, development, and operation of Grant Activities shall be bonded at all times in accordance with RSA 41:6 and rules adopted thereunder by the Department of Revenue Administration.

8.9 All work under this Project shall be completed prior to Completion Date, as specified in Section 1.7 of the General Provisions.

9. GRANTEE FINANCIAL MANAGEMENT SYSTEM.

9.1 Except where inconsistent with federal requirements, state procedures and practices will apply to funds disbursed by CDFA, and local procedures and practices will apply to funds disbursed by units of local government.

9.2 **Cash Advances:** Cash advances to Grantee shall be approved only to the extent necessary to satisfy the actual, immediate cash requirements of Grantee in carrying out the purpose of the approved program or project. The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by Grantee for direct program costs and the proportionate share of any allowable indirect costs. Cash advances made by Grantee to subrecipients shall conform to the same standards of timing and amount as apply to advances to Grantee including the furnishing of reports of cash disbursements and balances.

9.3 **Fiscal Control:** Grantee must establish fiscal control and fund accounting procedures which assure proper disbursement of, and accounting for, grant funds and any required non-federal expenditures. This responsibility applies to funds disbursed by subrecipients and contractors as well as to funds disbursed in direct operations of Grantee. Grantee shall not use debarred, suspended or ineligible contractors or subrecipients as provided in 24 CFR 570.489 (f).

11. REPORTS AND CLOSE OUT

11.1 Semi-Annual progress reports which identify the status of Grant Activities performed, the outlook

for completion of the remaining Grant Activities prior to the Completion Date and the changes, if any which need to be made in the Project or Grant Activities, shall be submitted by the 15th of the month in one (1) copy following the end of every other quarter.

11.2 Financial reports, including a statement detailing all Grant or Project Costs (as hereinafter defined) which have been incurred since the prior request for reimbursement, shall be submitted with each request for reimbursement and with the Closeout Report. Financial Reports shall be submitted on forms provided by CDFA.

Said audit shall be conducted utilizing the guidelines set forth in "Standards for Audit of Governmental Organizations, Programs, Activities, and Functions" by the Comptroller General of the United States.

B. CDFA will conduct a financial Review-in-Lieu of Audit within ninety (90) days after the Completion Date of the Project.

11.6 Where the length of the grant period exceeds twenty-four (24) months, there shall be an interim audit performed and submitted.

12 RECORDS AND ACCOUNTS: ACCESS

12.1 During the performance of the Project Activities and for a period of three (3) years after the Completion Date or the date of the final audit approval by CDFA, whichever is later, the Grantee shall keep, and shall require any Subrecipient to keep, the following records and accounts:

12.1.1 Records of Direct Work: Detailed records of all direct work performed by its personnel under this Agreement.

The said records shall be maintained in accordance with accounting procedures and practices acceptable to CDFA, and which sufficiently and properly reflect all such costs and expenses, and shall include, without limitation, all ledgers, books, audits, records and original evidence of costs such as purchase requisitions and orders, invoices, vouchers, bills, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls and other records requested or required by CDFA.

12.1.3 Contractor and Subcontractor Records: The Grantee shall, and where applicable, Subrecipient shall, establish, maintain and preserve, and require each of its contractors and

subcontractors to establish, maintain and preserve property management, project performance, financial management and reporting documents and systems, and such other books, records, and other data pertinent to the project as the CDFA may require. Such records shall be retained for a period of three (3) years following completion of the project and receipt of final payment by the Grantee, or until an audit is completed and all questions arising therefrom are resolved, whichever is later.

13 TERMINATION; REMEDIES

13.1 Inability to Perform; Termination by Grantee. As a result of causes beyond its control, and notwithstanding the exercise of good faith and diligence in the performance of its obligations hereunder, if it shall become necessary for Grantee to terminate this Agreement, Grantee shall give CDFA fifteen (15) days advance written notice of such termination, in which event the Agreement shall terminate at the expiration of said fifteen (15) days.

13.2 Termination Without Default. In the event of termination without default and upon receipt, acceptance and approval by CDFA of the Termination Report, as referenced in the General Provisions, Grantee shall receive payment for all Project Costs incurred in the performance of Grant Activities completed up to and including the date of termination and for which payment had not previously been made including, but not limited to, all reasonable expenses incurred in the preparation of the Termination Report; provided, however, that in the event that any payments have been made hereunder in excess of Project Costs incurred up to and including the date of termination of the Agreement, CDFA shall offset any payments to be made hereunder against such payments, and if applicable, Grantee shall refund to CDFA the amount of any excess funds it retains after such offset.

13.3 Termination for Default. In the event of termination for default or other violation of Program requirements, CDFA shall, upon receipt, acceptance and approval of the Termination Report submitted by Grantee, pay Grantee for Project Costs incurred up to and including the date of termination (subject to off-set against funds paid to Grantee hereunder and to the refund of any excess funds); provided, however, that in such event the amount of such payment shall be determined solely by CDFA; and provided, further, that in no event shall the making of any such payments relieve Grantee of any liability for damages sustained or incurred by CDFA as a result of Grantee's breach of its obligations hereunder, or relieve Grantee of responsibility to seek return of Grant Funds from any Subrecipient or Beneficiary where applicable.

13.4 Limitation on Grantee Liability for Subgranted Funds. Notwithstanding anything in this Agreement to the contrary and absent the presence of fraud or negligence on the part of Grantee in enforcing its rights and obligations under the terms of any Subrecipient agreement, the sole obligation of Grantee with respect to the return of Grant Funds, in the event of default on a grant condition or other termination of the Project or event requiring return of Grant Funds, shall be to make a good faith effort to return to the State of New Hampshire all grant funds paid to Subrecipient through Grantee. Grantee shall make good faith efforts to enforce the legal obligations entered into with the Subrecipient as provided herein, to call upon the collateral held by itself or others, and exercise due diligence in its efforts in bringing about the satisfaction of the grant obligations and, having done so, it shall not be required to look to any other funds or its tax base to recoup grant funds not recovered from the Subrecipient.

13.5 Assignment to CDFA and Payment of Expenses and Costs. Grantee hereby agrees that, in the event it fails to enforce the provisions of any Subrecipient Agreement or fails to cure an Event of Default resulting in termination of this Agreement or the Project, Grantee shall, upon demand by CDFA, assign and convey to CDFA all or any of its rights, title and interest, or delegate to CDFA all or any of its obligations under the Subrecipient Agreement and any Mortgage, Promissory Note, Security Agreement or other agreement as applicable. Such delegation or assignment shall be effective only in the event of a default by Subrecipient or Beneficiary in its or their obligations under the Subrecipient Agreement or other agreement. In the event that CDFA assumes any of the obligations of Grantee as provided herein, Grantee shall pay all costs and expenses incurred by CDFA in the enforcement of the Subrecipient Agreement, collection upon any loan, mortgage or other security, or in curing any Event of Default.

13.6 Where the Grant Agreement is terminated or the Project is otherwise terminated due to a default, inability to perform or reason other than project completion and Grant funds are to be returned by Grantee, the disposition of Grant Funds to be returned shall be determined solely by CDFA.

14. ADDITIONAL GRANT REQUIREMENTS.

14.1 Grantee shall prepare and adopt a written Code of Ethics governing the performance of its employees engaged in the procurement of supplies, equipment, construction and services consistent with the requirements of 24 CFR 85.36(b)(3). The Code of Ethics shall be prepared in the form shown in the CDBG Implementation Guide, and shall be formally adopted prior to requesting Grant funds. The Grantee shall also comply with the conflict of interest policy consistent with the requirements of 24 CFR 570.489(h) and approved by CDFA.

14.2 Grantee shall prepare and adopt a financial management plan, approved by CDFA, which describes Grantee's system for receiving and expending the grant funds including the internal controls, which shall ensure compliance with this Grant Agreement. The plan shall be formally adopted prior to requesting Grant funds.

14.3 Grantee shall submit to CDFA, documentation of employment and expenditures received from the Subrecipient at the time of Grant Agreement Effective Date, with each Semi-annual Report and on the Grant Completion Date. Employment information shall be provided on the "Periodic Progress Report", as found in the most current copy of the CDFA Grant Implementation Guide.

14.4 In the event Grantee fails to enforce the provisions of either the Subrecipient or Business & Employment Commitment Agreement or fails to cure any event of default under the Subrecipient or Business & Employment Commitment Agreement, Grantee shall, upon demand by CDFA, assign and convey all or part of its rights, title and interest, or delegate all or any of its obligations under the Subrecipient or Business & Employment Commitment Agreement to CDFA. Such assignment or delegation is to be effective only in the event of default in the Business' obligations to Grantee, under the terms and conditions of the Subrecipient or Business & Employment Commitment Agreement.

14.5 CDFA shall have the right to terminate all or part of its obligations under this Agreement in the event that any official, employee, architect, engineer, attorney or inspector of, or for Grantee, or any government official or representative becomes directly or indirectly interested financially in the acquisition of any materials or equipment, or in any construction of the Project, or in the furnishing of any service to, or in connection with the Project, or any benefit arising therefrom.

14.6 Excessive Force by Law Enforcement Agencies. Grantee certifies that it has adopted and enforces a policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in nonviolent civil rights demonstrations in accordance with Section 519 of Public Law 101-144.

14.7 Lobbying. Grantee certifies that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any

person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard form - LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

14.8 Certification of Nonsegregated Facilities as required by the May 9, 1967, Order (32 FR 7439, May 19, 1967) on Elimination of Segregated Facilities, by the Secretary of Labor. Prior to the award of any construction contract or subcontract exceeding \$10,000, Grantee shall require the prospective prime contractor and each prime contractor shall require each subcontractor to submit the following certification:

- A. By the submission of this bid, the bidder, offer or, applicant or subcontractor certifies that he/she does not maintain or provide for his/her employees any segregated facilities at any of his/her establishments, and that he/she does not permit his/her employees to perform their services at any location, under his/her control where segregated facilities are maintained.
- B. He/she certifies further that he/she will not maintain or provide for his/her employees any segregated facilities at any of his/her establishments, and that he/she will not permit his/her employees to perform their services at any location, under his/her control, where segregated facilities are maintained. The bidder, offer or, applicant, or subcontractor agrees that a breach of this certification is a violation of the Equal Opportunity clause in this contract. As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color or national origin, because of habit, local custom, or otherwise. He/she further agrees that (except where he/she has obtained identical certifications from proposed subcontractors for specific time periods) he/she will obtain identical certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity clause: that he/she will retain such certifications in his/her files: and that he/she will forward the following notice to such proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENT FOR CERTIFICATIONS OF NONSEGREGATED FACILITIES

Certification of Nonsegregated Facilities, as required by the May 9, 1967, Order (32 F.R. 7439, May 19, 1967) on Elimination of Segregated Facilities, by the Secretary of Labor, shall be submitted prior to the award of a subcontract exceeding \$10,000 which is not exempt from the provisions of the Equal Opportunity clause. The Certification may be submitted either for each subcontract or for all subcontracts during a period (i.e., quarterly, semiannually, or annually).

NOTE: The penalty for making false statements in offers is prescribed in 18 USC 1001.

In the event of a default in Subrecipient's obligation to Grantee under the terms of the Subrecipient Agreement or Mortgage. In such event, Grantee agrees to pay and shall pay all reasonable costs and expenses incurred by CDFA in the enforcement of the Subrecipient or Mortgage obligations or in curing any Event of Default thereunder.

1. PROJECT COSTS; PAYMENT SCHEDULE; REVIEW BY CDFA.

1.1 Project Costs: As used in this Agreement, the term "Project Costs" shall mean all reimbursable costs incurred in performance of the Grant activities. "Administrative Project Costs" shall mean all expenses directly or indirectly incurred by Grantee in the performance of the Project Activities, as determined by CDFA to be eligible and allowable for payment in accordance with allowable administrative project cost standards set forth in OMB 2 CFR Part 200 as revised from time to time, and with the rules, regulations and guidelines established by CDFA. Administrative project costs include but are not limited to: preparation of environmental review, record keeping, reporting, audits and oversight of Project construction and compliance with all federal, state and local laws, rules and regulations and this contract. In no event shall Administrative Project Costs exceed fifteen (15) percent of the total Grant funds allowed. With respect to a non-profit subrecipient, such subrecipient shall meet the requirements of OMB 2 CFR Part 200.

1.2 Delivery Costs: As used in this Agreement, the term "Delivery Costs" shall mean all reimbursable costs incurred by a Subrecipient, as set forth in Attachment I, "Sources and Uses" in connection with a regional revolving loan fund that are directly related to the preparation and execution of loan documents and to the monitoring and administration of the loan provisions, and which are allowable by the New Hampshire Community Development Block Grant program rules.

1.3 Payment of Project Costs: Subject to the terms and conditions of this agreement, CDFA agrees to pay Grantee all Project Costs, provided, however, that in no event shall the total of all payments made by CDFA pursuant to this Agreement exceed the Grant Amount as set out in Paragraph 1.8 of the General Provisions, and provided further that all Project Costs shall have been incurred prior to the Completion Date, except for reasonable approved Project Costs incurred within 90 days after the Completion Date and in connection with closeout requirements as provided in Cdfa Administrative Rule 311.01(c)(4).

1.4 Review by CDFA; Disallowance of Costs: At any time during the performance of the Project Activities, and upon receipt of the Progress Reports, Closeout Report or Audited Financial Report, CDFA may review all Project Costs incurred by Grantee or any Subrecipient and all payments made to date. Upon such review, CDFA shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform Grantee of any such disallowance. If CDFA disallows costs for which payment has not yet been made, it shall refuse to pay such costs. If payment has been made with respect to costs which are subsequently disallowed, CDFA may deduct the amount of disallowed costs from any future payments under this Agreement or require that Grantee refund to CDFA the amount of the disallowed costs.

2. METHOD AND TERMS OF REIMBURSEMENT FOR PROJECT COSTS.

2.1 CDFA shall not disburse any funds for the purposes of this Project until such time as all agreements specified in Exhibit A and any other agreements or documents specified pursuant to this Agreement are fully executed and received, and where applicable, are reviewed and approved in writing by CDFA. Agreements and documents may include:

2.1.1 A Subrecipient or Business & Employment Commitment Agreement, as applicable;

2.1.2 Documentation of other committed match funds or additional financing necessary as defined in Attachment I, "Sources and Uses", no earlier than date of application, as approved by CDFA, or date of Governor and Council approval;

2.1.5 Any lease and loan documents, mortgages, liens, security instruments, municipal bonds, and similar agreements used in connection with the enforcement of beneficiary requirements, as well as any other related documents as requested by CDFA.

2.2 Timing of Payments. Upon thirty (30) days of the receipt, review, and approval by CDFA of financial reports and requests for reimbursement from Grantee specifying all Project Costs incurred, CDFA agrees to reimburse Grantee for Project Costs, except that reimbursement may be withheld until CDFA determines that a particular project activity or portion of the project activity hereunder has been satisfactorily completed.

2.3 Disbursement of funds by CDFA does not constitute acceptance of any item as an eligible Project Cost until all Project Costs have been audited and determined to be allowable costs.

3. REQUIRED DOCUMENTATION FOR DISBURSEMENT OF GRANT FUNDS.

3.1 Reimbursement requests for all Project Costs, including Administrative Project Costs, Delivery Costs and Subrecipient costs, shall be accompanied by proper supporting documentation in the amount of each requested disbursement along with a payment request form as supplied by CDFA, which shall be completed and signed by Grantee. Obligations outstanding as of the Completion Date shall be liquidated within ninety (90) days. Such obligations must be related to goods or services provided during the grant period, except that reasonable costs associated solely with grant closeout, (e.g., audits, final reports) may be incurred within ninety (90) days after the Completion Date. The funding assistance authorized hereunder shall not be obligated or utilized for any activities requiring a release of funds under the Environmental Review Procedure for the Community Development Block Grant Program at 24 CFR Part 58, until such release is issued in writing by CDFA.

4.4 Changes In Funding Project Activities: Grantee may submit a written request for the authority to transfer up to ten (10) percent of the full value of the grant from one approved activity to another listed in Exhibit A herein or from an approved activity within the approved project area to an approved activity located outside the project area and the Director of CDFA may approve the requested transfer.

4.5 Transfers over ten percent of the full value of the grant from one approved activity to other approved activities or outside the target area, or the addition of one or more new activities requires an amendment to this grant agreement. Grantee shall hold a public hearing in accordance with RSA 4: C: 14 II(b) submitting a request for an amendment involving twenty-five (25) percent or more of the full value of the grant.

4.6 Up to \$19,000 of Grant Funds may be applied by the Grantee for administrative costs in carrying out the requirements of this Agreement.

4.7 Up to \$150,000 of grant funds may be subgranted to the Nonprofit Subrecipient for the purpose of purchasing equipment.

5 **PERFORMANCE OF SERVICES BY GRANTEE PRIOR TO EFFECTIVE DATE; PAYMENT BY CDFA.** Any Grant Activities performed by Grantee with non-CDBG funds prior to the Effective Date shall be performed at the sole risk of Grantee, and in the event that this Agreement shall not become effective, CDFA shall be under no obligation to pay Grantee for any costs incurred in connection with any Grant Activities, or to otherwise pay for any Activities performed during such period.

6.3 **When Used For Eligible Activities:** After completion of the Grant Activities specified in this Agreement, Grantee and, where applicable, Subrecipient shall use program income only for eligible activities which benefit primarily people from low- and moderate-income families, with prior approval by CDFA as specified in the Closeout Agreement between CDFA and Grantee and, where applicable, Subrecipient.

12.2 In such an event of default, the amount of CDBG funds subject to recovery in accordance with this paragraph shall be no more than \$150,000, and shall be based upon the following calculation: The difference between the original number of jobs contained in Paragraph 2.3, less the actual jobs created, multiplied by the minimum standards as stated in Paragraph 2.2.1.

13. ADDITIONAL REPRESENTATIONS AND WARRANTIES.

13.1 The Business has obtained or will obtain all necessary approvals of the plans and all necessary permits for the operation of its business from all governmental authorities having jurisdiction over the Project.

13.2 Construction of any improvements for the Project will not violate any zoning, environmental, subdivision, or land use ordinance, regulation or law; the Property conforms and complies in all material respects with covenants, conditions, restrictions, reservations and zoning, environmental land use, and other applicable ordinances, laws, rules and regulations, federal, state or local, affecting the Property.

13.3 No litigation, claims, suits, orders, investigations or proceedings are pending or threatened against the Business or affecting the Property or the Project at law or in equity or before or by any federal, state, municipal or other governmental instrumentality; there are no arbitration proceedings pending under collective bargaining agreements or otherwise; and to the knowledge of the Business there is no basis for any of the foregoing.

13.5 The Business is not contemplating either the filing of a petition under any state or federal bankruptcy or insolvency laws or the liquidating of all or a major portion of its property, and has no knowledge of any person contemplating the filing of any such petition against it.

13.6 The Business shall comply with all federal, state and local laws, regulations, and standards relating to protection or preservation of the environment that are or may become applicable to its activities at the Project Property.

13.7 The Business, and any sublessee or assignee of the Business shall be solely responsible for obtaining, at their cost and expense, any environmental permits required for their operations.

14.2 The Business shall not assign or transfer any of its rights or obligations under this Agreement without the prior written consent of CDFA, and any attempted assignment or transfer without such consent shall be ineffective, null, void, and of no effect.

14.3 No amendment or modification of the Business & Employment Commitment Agreement shall be effective unless it is in writing and executed by all parties and approved by CDFA.

Dear Sirs:

The following definitions apply to the following terms as they are used in this letter:

1. "The Grantee" is the Town of Littleton (New Hampshire).

This opinion is rendered exclusively for your benefit in conjunction with the Grant.

Applicant: Town of Littleton
 Sub recipient: Northern Community Investment Corporation (NCIC)
 Project Name: Littleton CNC Training Center
 Request: \$169,000
 Job creation: 9 full time jobs, 6 available to low-moderate income persons

Project Description

The Town of Littleton is requesting \$169,000 in CDBG funds to assist Northern Community Investment Corporation (NCIC) with the purchase of new training equipment for the Littleton Computer Numerically Controlled (CNC) Training Center. Several manufacturing companies in the Littleton Industrial Development Corporation Industrial Park are considering expansions and adding new employees. Many of the new jobs will require training in computer controlled equipment. Current training programs are unable to meet this need.

The training center is being planned as a cooperative venture between the Hugh J. Gallen Career & Technical Center, NH Department of Resources and Economic Development, Littleton Industrial Development Corporation and Northern Community Investment Corporation.

A total of nine (9) jobs will be created by this grant at Rotobec Corporation. At least six (6) of the jobs will be filled by persons from low- and moderate-income households.

Total	\$169,000	\$170,000	\$339,000

Business and Center Background

There are two organizations involved in this project. Northern Community Investment Corporation (NCIC) is the nonprofit business/subrecipient of the CDBG grant and Rotobec USA, Inc. will be creating the nine jobs. NCIC was established in 1975 as a nonprofit, certified Community Development Financial Institution working to address regional economic challenges in Northern NH and Vermont. NCIC has a diverse Board of Directors, sixteen employees and offices in Plymouth and Lancaster, NH and Saint Johnsbury, VT. NCIC focuses on building partnerships and developing creative and effective solutions for individual businesses, communities and the region, to ensure that the region continues to offer a strong and growing business climate, and diverse

employment opportunities. To that end, NCIC has partnered with the Hugh J. Gallen Career & Technical Center, NH Department of Resources and Economic Development, and the Littleton Industrial Development Corporation to create the Littleton CNC Training Center.

The program and scheduling will be managed by the Hugh J. Gallen Career & Technical Center. The Hugh J. Gallen Career and Technical Center provides a rigorous and relevant education for students from Littleton High School, other regional high schools and adult students. The Hugh J. Gallen Career and Technical Center has four main competencies which will help their instructor guide adult students at the Littleton CNC Training Center, they include:

1. For students to complete program and industry competencies.
2. To prepare students with skills and credentials that will give them an advantage in the job market.
3. To prepare students to continue their education at two or four-year post-secondary institutions, colleges and universities.
4. To develop employability skills (soft skills).

The program will have an advisory group of the area employers to be sure that the program curriculum is aligned with the needs of the employers.

Rotobec USA, Inc., the business in the proposed partnership, is located in Littleton, NH, and is a manufacturer and wholesaler of grapples and rotors. Rotobec has demonstrated its skill at managing cash flow through the many years that it has been a manufacturer and an employer in Littleton. It has done so with consistent growth, on time payments and strong financial ratios. Rotobec is an industry leading manufacturer who has commanded a strong position and growing position corporately since 1975 and locally since 1986.

As a result of increasing demand for their products, Rotobec USA, Inc. is expanding its manufacturing operations at the Littleton location. The decision to expand the facility was based on two factors. First, the Littleton operation has proven capacity and space to expand. Second, there is an existing labor pool in the Littleton area with the potential to meet qualifications after training. Rotobec USA, Inc. is committing to placing at least nine new employees at their expanded facility.

Proposed New Project

Quality training for CNC operators is a regional priority because a high percentage of the current operators in the area are age 50 and older, which means that in the next 10 to 15 years almost half of the employees will retire. The project partners anticipate the impact of the automated manufacturing training to strengthen the employers and the workforce of the Littleton region.

Cost of the Project

The total project cost of Rotobec's expansion and the creation of the Littleton CNC Training Center is \$339,000. The equipment cost of the Training Center is \$140,000 this cost includes the purchase of three large automated manufacturing machines. The space and energy costs for the classroom are being offered by the Hugh Gallen Center at no cost to the project. The operation of the training will be

supported by the manufacturers and by grant funding awarded to the Hugh Gallen Center and NCIC. The Center has space, some curriculum and a qualified instructor.

Rotobec is undertaking an expansion that will double their square footage and cost more than \$300,000. They have committed to document \$170,000 of the costs as match to this grant request.

Financing

Most of the project cost is being paid for by this request. The remaining costs will be covered by grants and fees paid by the manufactures for the training.

Benefit of the Project

Public benefit of this project will be the creation of nine (9) new jobs at Rotobec USA, Inc. and many other trained individuals. Both employers provide excellent pay and benefits including medical and dental coverage, life and short term disability insurance and incentives for participation in this training program. At least six (6) of the jobs will be filled by persons from low- and moderate-income households.

NCIC will also benefit from the project by securing grant funding to help cover some of the costs for purchasing needed equipment for the new Nung Simulation Lab.

Administrative Costs

The administrative costs are typical of other CDBG Economic Development applications and total \$19,000. A detailed breakdown of the budget is listed below.

Administration Breakdown

Grant Administrator	\$ 11,000
Advertising	\$ 500
Legal	\$ 1,000
Audit	\$ 2,500
Application Writing	\$4,000
Total	\$ 19,000

Comments

- Project will help to address the training of advanced manufacturers, a critical job category in New Hampshire's employment matrix.
- Workforce development projects such as this are key elements in providing the skilled workers needed by New Hampshire employers.

- A relatively modest CDBG investment of \$169,000 will provide job creation benefits well beyond the nine proposed here. The CNC Training program is a growing curriculum that will pay dividends to the region for many years to come.
