His Excellency, Governor Christopher T. Sununu  
and the Honorable Executive Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation, Bureau of Trails to amend a Grant-In-Aid Agreement, C&E 2020-51, with the Twin Mountain Snowmobile Club by increasing the total agreement cost by \$3,500.00 from \$62,070.00 to \$65,570.00 with no change to the contract completion date of December 31<sup>st</sup>, 2020, effective upon approval of the Governor and Executive Council. The original grant was approved by the Governor and Executive Council on July 15, 2020, Item #57, attached, and amended by the Governor and Executive Council on October 21, 2020, Item #36, attached. 100% Transfers from Fish & Game.

Funding is available in account, Grant-In-Aid - Snow, as follows:

03-035-035-351510-35560000-075-500590 - Grants Subsidies and Relief	<u>FY 2021</u> \$3,500.00
---	------------------------------

**EXPLANATION**

The Department's authority to enter into Grant-In-Aid agreements with non-profit snowmobile clubs is outlined in RSA 215-C:39, VII (b). This agreement is for aiding the club in the maintenance of snowmobile trails.

This increase is due to emergency engineering costs for a bridge that needs to be constructed on a trail within the White Mountain National Forest. Originally, the plan was to install culverts, but this plan had to be changed due to new requirements by the WMNF. If this trail maintenance project is not completed the trail would be closed. The club does not have the means to complete this work without GIA assistance, especially since COVID has been detrimental to their funding events.

A copy of this amendment will be available at the Department's Bureau of Trails. The Attorney General's office has approved the attached sample amendment as to form and substance, and will approve the actual amendment as to execution.

Respectfully submitted,

Concurred,

**EXPLANATION**

The Department's authority to enter into Grant-In-Aid agreements with non-profit snowmobile clubs is outlined in RSA 215-C:39, VII (b). These agreements are for aiding the clubs in the maintenance and development of snowmobile trails and the purchase and refurbishment of trail maintenance equipment. This request is Retroactive due to the timing of the Governor and Executive Council meeting and the clubs needing to start their trail construction projects at the beginning of the 2021 fiscal year.

Copies of these agreements are available at the Department's Bureau of Trails. The Attorney General's office has approved the attached sample agreement as to form and substance, and will approve the actual agreements as to execution.

While many of the grant agreements are not above the \$10,000 limit requiring approval by the Governor and Executive Council, there is the potential for additional grants to be awarded to these clubs during the same Fiscal Year possibly putting grantees over said limit. There are no Road Toll funds being used to support these grant agreements.

WHEREAS, by Laws of New Hampshire, RSA 215-c, the Legislature has authorized funds to the Bureau of Trails for Grant-In-Aid to organized snowmobile clubs;

NOW, THEREFORE, IT IS AGREED between the parties hereto:

1. The State agrees to reimburse the Club in accordance with RES 8408, subject to the following terms and conditions; however, should snowmobile revenues fall short of the estimated amounts, grant awards shall be reduced by the amount of the revenue shortfall. If GIA revenues are insufficient to fund Projects and/or Equipment purchases or reconditions at the percentages noted in Res 8403.02, the Bureau shall have the ability to offer partial funding to a club, lower than those proportions noted in Res 8403.02, and the club may determine if they wish to accept the lower grant award.
2. The Club agrees to construct and undertake the approved Project, and/or purchase or recondition Equipment, in accordance with their Approved Application, which is incorporated by reference herein and a copy maintained at the State. Furthermore, the Club agrees to comply with all Federal, State, and local laws, rules, and regulations, which are now, or in the future may become, applicable to the Project and/or purchase or recondition.

- b. **SUBSEQUENT PAYMENTS;** each successive thirty (30) days after the first payment, the Club shall submit invoices evidencing acceptable costs. If the costs are deemed eligible and approved, the State agrees to pay the club appropriate percentages. Said payments shall continue to be made until authorized reimbursements for the total costs of said Project and/or purchase or recondition have been made, on the condition that invoices are submitted within the Agreement period.
- c. **NOTWITHSTANDING** anything to the contrary contained herein, it is understood and agreed that all payments of all sums by the State hereunder are contingent upon availability and continued appropriation of State funds, and, if for any reason whatsoever, such funds shall be terminated or reduced or otherwise become unavailable, the State may terminate this Agreement in whole or part immediately.
5. Any grant funds allotted, but not applied for by the Club by the termination date of this Agreement, shall lapse and be returned to the Grant-In-Aid Program. Any remaining balances upon Project completion and/or Equipment purchase or reconditioning shall not be used for any other purpose unless prior written permission has been received and approved by the Bureau.
6. The Club shall not amend, revise, or change the Approved Application or Work Plan without the prior written consent of the Bureau.
7. The following events shall result in the termination of the Agreement at the election of the State:
- a. In the event that the owner(s) of the land on which the trail system is developed withdraw permission for the use of said land while the Club's Project grant is in effect, the Agreement will be void and no further payments will be made hereunder by the State, unless the State determines that an alternative route is available to keep the trail network intact and utilize awarded Project funds.
  - b. Failure by the Club to comply with any of the rules governing the reimbursement of funds shall result in the non-reimbursement of any funds owed and shall cause future Grant-In-Aid requests to be denied, providing corrections are not made within 15 working days of notification of any failure of rules compliance.
8. Equipment purchased or reconditioned through the Grant-In-Aid Program shall not be sold or traded by any Club, unless it meets the provisions specified in Administrative Rule Res 8404.04, Terms of Ownership.
9. The State of New Hampshire shall retain an interest in the form of a lien on all equipment purchased or reconditioned through the Grant-In-Aid Program, and the State shall file a financing statement with the Secretary of State pursuant to RSA 382-A:9. Such lien shall be released by the State of New Hampshire when the club has met the requirements of Administrative Rules Res 8404.04 or 8404.05.
10. The Club covenants to indemnify and hold harmless the State from and against any and all losses suffered by the State, and any and all claims, liabilities or penalties asserted against the State, by or on behalf of any person on account of, based in, resulting from, arising out of (or which may be claimed to have arisen out of), the acts or omissions of the Club.

NOTWITHSTANDING THE FOREGOING, nothing herein contained shall be deemed to constitute a waiver of the Sovereign Immunity of the State. This covenant shall survive the termination of the Agreement.

11. The Club agrees to submit to all requested inspections and audits by State officials which relate to the services and payments under this Agreement. Periodic inspections of purchased or reconditioned equipment, trail construction, trail signing, and equipment logs may be made by Bureau officials or designees at any time.
12. This Agreement may be modified, waived, or discharged only by an instrument signed by the parties hereto.
13. It is understood and agreed by the parties hereto that in the performance of the Agreement and the services hereunder, the Club and its servants and employees are in all respects independent contractors and shall neither be determined to be employed nor agents of the State, nor be entitled to any benefits, worker's compensation or emoluments provided by the State to its employees.
