RESIDENTIAL SUBSTANCE ABUSE TREATMENT PROGRAM
GUIDELINES AND CONDITIONS

Federal Grant # 2018-J2-BX-0053

I, the below-named individual, on behalf of the below-named agency (hereinafter referred to as "subgrantee" and "subrecipient"), am legally authorized to submit and accept grants on behalf of the applicant agency, and hereby certify that the grant program outlined in this application package, if funded by Residential Substance Abuse Treatment Program grant funds, will adhere to the following guidelines and conditions:

1. Requirements of the award; remedies for non-compliance or for materially false statements.

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the subrecipient that relates to conduct during the period of performance also is a material requirement of this award.

Failure to comply with any one or more of these award requirements, whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Office of Justice Programs ("OJP") or the New Hampshire Dept. of Justice ("NHDOJ") taking appropriate action with respect to the recipient and the award. Among other things, the OJP and or the NHDOJ may withhold award funds, disallow costs, or suspend or terminate the award.

The Department of Justice ("DOJ"), including OJP, and the NHDOJ also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or unenforceable; such provision shall be deemed severable from this award.

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2018 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this

Initials 
Date 1/27/19

FY 2018 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2018 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that a subrecipient at any tier must retain, typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies and to which the subrecipient at any tier must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the subrecipient is to contact the NHDOJ promptly for clarification.

3. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

4. Reclassification of various statutory provisions to a new Title 34 of the United States Code.

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

5. **Requirements related to "de minimis" indirect cost rate**

A subrecipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise the NHDOJ in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

6. **Requirement to report potentially duplicative funding.**

If the subrecipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the subrecipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the subrecipient must promptly notify the NHDOJ Grants Management Unit in writing of the potential duplication, and, if so requested by the NHDOJ Grant Management Unit must seek a budget-modification or change-of-project-scope.

7. **Requirements related to System for Award Management and Universal Identifier Requirements.**

The subrecipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The subrecipient must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide the unique entity identifier required for SAM registration.

The details of the subrecipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

8. **Requirement to report actual or imminent breach of personally identifiable information (PII)**

Initials: 
Date: 8/27/19

In the event of an actual, or imminent, breach of Personally Identifiable Information of a U.S Department of Justice funded program or activity by a subrecipient, the subrecipient must have a procedure in place that indicates that the Grants Management Unit will be notified of the breach by the end of the business day (4:00 P.M. EST) that the breach was reported. An e-mail will be sent to Grants@doj.nh.gov, which e-mails every staff member in the Grants Management Unit, notifying the Unit of the breach. The GMU Administrator, or designee, will respond to the subrecipient's e-mail notifying receipt of the notification by the end of the business day that it was received. If the subrecipient does not receive a confirmation e-mail from the GMU the subrecipient shall call the NH Department of Justice main number, (603)271-3658, and request to speak to the GMU and report the breach. Subrecipients must have written procedures that document the process of notifying the GMU in the event of a PII breach. Written procedures will be verified during onsite monitoring's conducted by the GMU.

Personal Identifiable Information ("PII") is defined under 2 CFR 200.79

9. **All subawards ("subgrants") must have specific federal authorization**

The subrecipient ("subgrantee") at any tier must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that for purposes of federal grants administrative requirements OJP and the NHDOJ considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

10. **Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$150,000**

The subrecipient ("subgrantee") at any tier must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$150,000). This condition applies to agreements that for purposes of federal grants administrative requirements OJP and the NHDOJ considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$150,000)), and are incorporated by reference here.

Non-supplanting Certification

Supplanting defined

Federal funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose. Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the applicant or grantee will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. For certain programs, a written certification may be requested by the awarding agency or recipient agency stating that Federal funds will not be used to supplant State or local funds. See the OJP Financial Guide (Part II, Chapter 3). <http://www.ojp.usdoj.gov/financialguide/part2/part2chap3.htm>.

Supplanting and job retention

A grantee may use federal funds to retain jobs that, without the use of the federal money, would be lost. If the grantee is planning on using federal funds to retain jobs, it must be able to substantiate that, without the funds, the jobs would be lost. Substantiation can be, but is not limited to, one of the following forms: an official memorandum, official minutes of a county or municipal board meeting or any documentation, that is usual and customarily produced when making determinations about employment. The documentation must describe the terminated positions and that the termination is because of lack of the availability of State or local funds.

The Merrimack County Dept. of Corrections (Applicant) certifies that any funds awarded through grant number 2019RSA02 shall be used to **supplement** existing funds for program activities and will not replace (supplant) nonfederal funds that have been appropriated for the purposes and goals of the grant.

The Merrimack County Dept of Corr (Applicant) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from federal grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.
