EXPLANATION

This contract is to repair the Green Mountain Fire Tower in Effingham, NH. It is Phase 1 of a 2-phase project to repair 3 fire towers, i.e. Green Mountain, Kearsarge Mountain, and Pawtuckaway Mountain, all requiring airlift transport to mobilize for construction. The work includes replacement of the tower cab, reinforcement of the tower structural steel, foundation replacement, new stair treads and guard rails, and painting of the tower steelwork.

In December of 2014, an invitation to submit bids for "Airlift Accessible State Fire Tower Upgrades" was advertised on the Department of Administrative Services' website and also on 5 construction industry websites. A mandatory on-site pre-bid meeting was held on December 16, 2014 at the Warner Hill Fire Tower at which 15 general contractors and 1 sub-contractor were present. Bids closed on February 26, 2015 at a public bid opening at DRED's offices in Concord. Four (4) bids were received and Project Resource Group, LLC was selected as the low-bid contractor for the 2-phase project. The Phase 1 contract will cover the repair of the Green Mountain Fire Tower. A second phase contract, contingent upon receipt of additional capital funding, will cover repair of the remaining 2 towers.

The Attorney General's office has reviewed and approved this contract as to form, substance and execution.
