### Explanation

In an effort to reduce the number of DWI incidents, the NH State Police will hire, on an off-duty basis, currently employed State Police Troopers who have completed training in the identification of intoxicated drivers. These troopers will conduct DWI enforcement patrols on evenings when the impaired driver is considered to be most prevalent. The motoring public will also perceive an increased enforcement effort on our highways.

In 2017, these federally funded patrol details resulted in 531 arrests, 1,667 summonses, and 7,079 warnings. A total of 141 arrests were made for driving under the influence. It is anticipated that in 2018 this funding will result in similar numbers of arrests for alcohol and drug impaired driving.

Additional funds are to be budgeted as follows:

Additional funds in Class 18 are needed to pay the overtime for details as approved by the approving Federal Agency.

Fiscal Committee of the General Court

Additional funds in Class 40 are needed to pay the indirect cost on the remaining appropriations.

Additional funds in Class 60 are needed to pay for benefits associated with the overtime for the details as approved by the approving Federal Agency.

These funds are federal funds to the Department of Safety, Office of Highway Safety, that become pass-through Agency Income to the Department of Safety (DOS), Division of State Police. In the event that Agency Income funds become no longer available, General and/or Highway funds will not be requested to support this program.

Respectfully submitted,

  
John J. Barthelmes  
Commissioner of Safety
